SATCO® | NUVO®

Welcome to STARFISH™

The simple, scalable, smart lighting solution brought to you by **SATCO®**
America's lighting resource for over 50 years.

live life enlightened™

STARFISH™

STARFISH™ smart lighting connects life and home together helping enhance convenience, security, atmosphere and wellness.

STARFISH™ synchronizes your life and your home using mobile and voice activated devices. Connect anywhere, anytime.

It's easy and convenient; **no hub required.**

STARFISH™ is more than light control. It is an immersive experience. Sync your activities, transition daily routines, add light for safety, color the atmosphere—**STARFISH™** connects your home and life.

STARFISH™ includes a versatile selection of products that integrate into many spaces.

We offer decorative and general bulbs to fit current household fixtures; and fixture solutions to provide ambient lighting in popular sizes. Our line includes retrofit solutions for indoor downlighting, and damp and wet location rated products and components that make converting to a smart home easy!

Add some atmosphere with **STARFISH™** dynamic RGB lights! Self-adhering tape lights color and create the illusion of space in tight places, and vibrant string lights provide mobile pops of color. Add some RGB bulbs for an ever-changing kaleidoscope of lighted living.

STARFISH™ electrical components, including outlets and switches, can be used to add smart controls to lighting products, small electronics and appliances; expanding comfort, convenience and connection.

There is so much smart to get started with!

STARFISH™ CONNECTS

STARFISH™ products feature an integrated Wi-Fi module easily accessible through the STARFISH™ app.

STARFISH™ products are controlled through mobile devices on both iPhone and Android platforms. Voice assistants such as Alexa® and Google Home® can also be integrated.

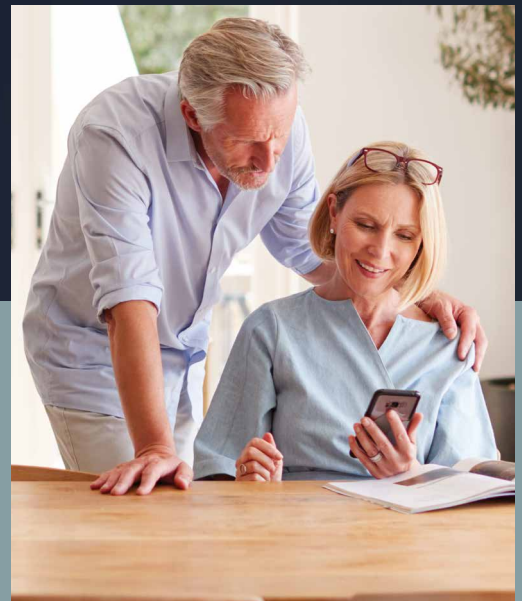

FAST & EASY SET UP

Install the app, register the user name and password then log on. Open the app, and add a device to get started.

SECURE CLOUD TECHNOLOGY

STARFISH™ connects to a secure TLS 1.2 encrypted cloud platform, ensuring the highest level of security and privacy protection.

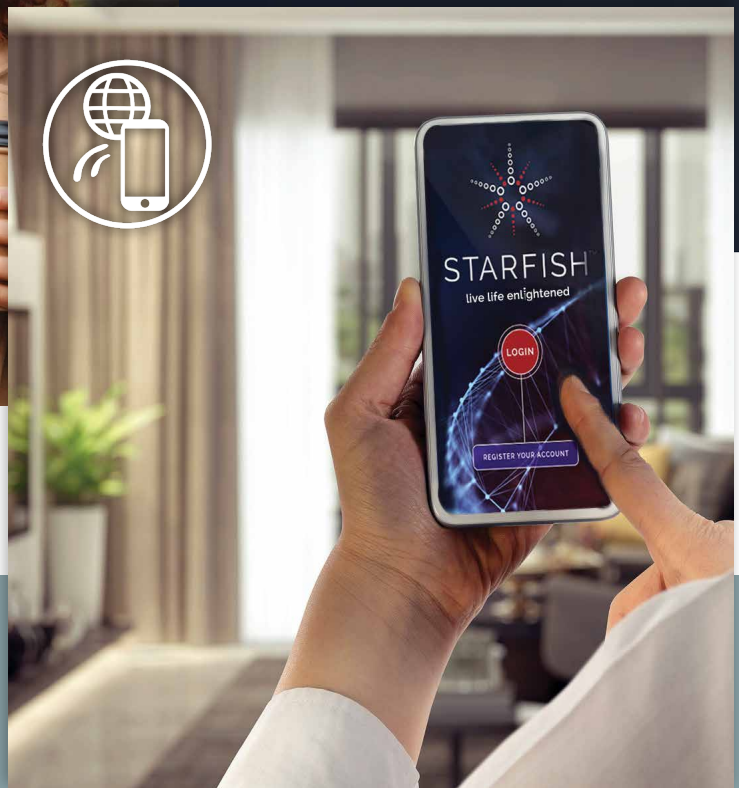

MULTI-DEVICE, MULTI-USER

STARFISH™ home allows for secure multi-device and multi-user access and offers the ability to assign varying levels of control to guests, children and caretakers.

CONNECT ANYWHERE

Access the home network from the **STARFISH™** app with a secure login anywhere in the world. Connection is always available with accessibility to the **STARFISH™** app.

STARFISH™ SMART BULBS

STARFISH™ standard and filament general service light bulbs enhance daily living by connecting lighting to your everyday routine with the change of a bulb.

Smart bulbs add convenience, the illusion of space, fun, mood and even a helping hand. They easily fit into everyday lamps and fixtures making conversion easy; simply replace your regular bulbs with our smart bulbs and connect to the **STARFISH™** app!

Set groups, schedules, timers, or take it to the next level with color changing themes.

STARFISH™ general service bulbs are the first step to creating a connected life.

WI-FI A19 LED RGB AND TUNABLE WHITE BULB

LED A19 Color Changing and Tunable White Bulbs replace standard medium base lamps with smart technology, adding dynamic color changes and tunable whites from warm-to-cool light.

Control dimming, RGB changes and CCT from 2700-5000K with the **STARFISH™** app. Energy efficient and suitable for damp locations.

STARFISH™ DIRECTIONAL RGB & TUNABLE LIGHTING

STARFISH™ directional bulbs for downlight, spot and track fixtures define and accent spaces, transforming rooms and highlighting areas of interest throughout the day.

Vary the light intensity to create ambiance. Use white temperatures to change the intensity for a task, or enhance color to explore the richer palettes of your decor.

Smart directional lights are useful for illumination of large areas in a moments notice. Schedule lighting with time of day to ensure safe entry, or set them with groups to mimic life's activities while you are away.

With a smart home program, directional lighting can be used to enhance the aesthetic of any room.

STARFISH™ is lighting the smart way!

WI-FI BR30 LED RGB AND TUNABLE WHITE REFLECTOR LAMPS

RGB and Tunable White LED Reflector Flood Lamps fill a room and brighten a space. Add a layer of comfort or create a different vibe with a full palette of colors and thousands of warm-to-cool whites.

Control dimming and color selection with the **STARFISH™** app. 100° beam angle, ENERGY STAR® Certified, damp location and enclosed fixture rated.

RECESSED RETROFIT DOWNLIGHTS

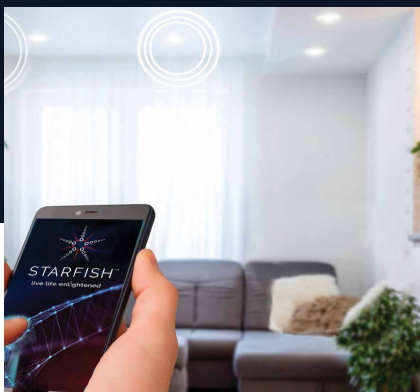

- **STARFISH™** tunable white retrofit downlights offer customers another option in smart lighting conversion.

The popular LED retrofits in 4 and 6 inch sizing replace in-can recessed downlight bulbs with an integrated LED smart fixture for a simple, easy conversion to connected ambient lighting.

Connect, convert and control with the **STARFISH™** app for grouping, scheduling and creating unique spaces. Thousands of white settings, from warm-to-cool light.

Downlight retrofits are wet location rated and suitable for outdoor overhangs, pool houses, she-sheds, bathrooms, kitchens and more.

ENERGY STAR® certified, California compliant and IC rated.

WI-FI 4IN. LED TUNABLE WHITE RECESSED RETROFIT DOWNLIGHT

4 in. Tunable White LED Recessed Retrofit Downlights offer easy smart lighting fixture conversion. Spring loaded clips secure the fixture in place to connect via direct wire or E26 adapter (included).

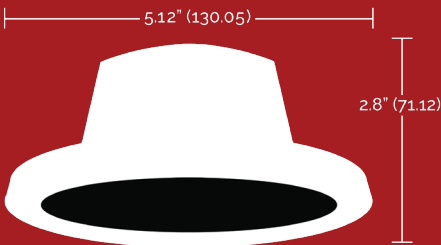

Wet location and IC Rated. This downlight offers superior 90 CRI tunable light from 2700-5000K CCT. Dimmable and tunable with the **STARFISH™** app. ENERGY STAR® certified and CA compliant.

DECORATIVE COLOR-CHANGING TAPE LIGHT

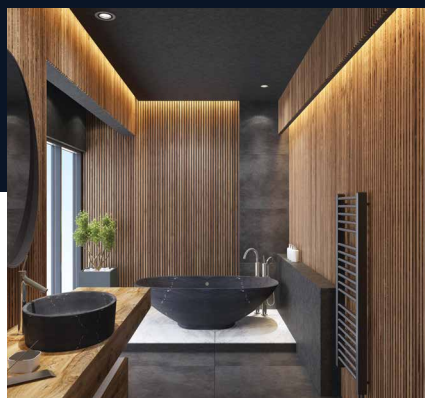

STARFISH™ color changing tape lights fit into tight places adding accents, ambiance and attraction to corners, cabinets and more.

Flexible and fun, use the smart dimming and tunable white features for a soft elegant glow or to wash the room in dynamic colors for a technicolor vibe.

Brighten a workspace or lighten a stairwell by connecting STARFISH™ with a voice assistant device.

Damp location certified, tape lights are often found in kitchens and baths around cabinets and coves. Tape lights offer a versatile solution for lighting difficult spaces.

Tape lights... a popular decorative addition to furniture, game rooms and dorms!

WI-FI INDOOR LED RGB AND TUNABLE WHITE TAPE LIGHT

RGB & Tunable White indoor tape lights offer both color changing and warm-to-cool white options. This versatile tape light can be used to create thousands of settings for ever-changing scenes.

Easily installed with a self-adhesive strip and cut-to-length convenience, tape lights are perfect for under cabinet, coves, furniture, niche and accent lighting.

There is an optional 3 foot extension strip sold separately, and up to 8 extensions can be added to a single main strip.

Damp location rated and dimmable with the **STARFISH™** app, this product is suitable for use in several applications.
