SPECIFICATIONS

Feit Electric's OneSync 120V LAN11SQ/SYNC/BZ Wall Lantern takes outdoor lighting to the next level. This hardwired wall lantern brings elegance, durability, and technology to your home design. The OneSync Wall Lantern has a heavy-duty metal construction with high-quality frosted glass panes. Select from 5 shades of white light or 8 colors at the press of a button. Each lantern puts out bright 600-lumen LED light. Its built-in dusk-to-dawn sensor activates once the sun goes down and stays lit until sunrise. With a lifespan of 15,000 hours, you'll enjoy these stylish lights for years to come. To sync, place within 100 feet of another OneSync outdoor device. The square wall lantern comes in a beautiful bronze finish. Sync your Wall Lantern with the OneSync remote for wireless control. For phone and smart device connectivity, pair with the OneSync Wi-Fi Bridge (not included). Works with Alexa and Google Assistant for voice control.
