## Ice Makers Limited Warranty

Subject to the exclusions and limitations below, MVP Group Corp warrants to the original consumer that any new ice machine shall be free of defects in material or workmanship for the warranty period outlined below, under normal use and maintenance, and upon proper installation and start up in accordance with the instruction manual supplied with the product.

**Who is covered?** This limited warranty only applies to the original consumer of the product and is not transferable.

What are MVP Group Corp's obligations under this limited warranty? If a defect arises and MVP Group Corp receives a valid warranty claim prior to the expiration of the warranty period, MVP Group Corp shall, at its option: (1) repair the product at MVP Group Corp's cost, including straight time labor charges, (2) replace the product with one that is new or at least as functionally equivalent as the original, or (3) refund the purchase price for the product. Replacement parts are warranted for 90 days or the balance of the warranty period, whichever is longer. The foregoing constitutes MVP Group Corp's sole obligation and the consumer's exclusive remedy for any breach of this limited warranty. MVP Group Corp liability under this limited warranty is limited to the purchase price of the product. Additional expenses including, without limitation, service travel time, overtime or premium labor charges, accessing or removing the product, or shipping are the responsibility of the owner.

**All Commercial units sold in the United States, Canada, and Puerto Rico** are covered for 3 years parts and labor. Compressor: 5 year parts and 3 year labor.

**Residential and Outdoor units** shall be covered for 12 months parts and labor from the date of sale.

**Storage Bin Limited Warranty:** MVP Group Corp warrants that new ice storage bins shall be free of defects in material or workmanship under normal and proper use and maintenance as specified by the MVP Group Corp and upon proper installation and start-up in accordance with the instruction manual supplied for two years parts and labor from date of sale.

**Filter Warranty:** When you buy a new Kool-it ice machine with the identified yltter system, and follow the prescribed replacement schedule, MVP Group Corp will extend your evaporator plate warranty by one year. New ice maker and yltter system must be purchased and installed at the same time (Proof of purchase is required). Water yltters must be changed every 6 months. Must follow installation guidelines. Cannot exceed the specifications in pressure and temperatures indicated.

**NOTE:** Ice makers sold outside of the covered zones (United States, Canada and Puerto Rico) as well as all 50 Hz units shall be warranted for 24 months parts only from the date of sale.

**What is not covered?** This limited warranty does not cover, and you are solely responsible for the costs of: (1) periodic and/or routine maintenance, (2) repair or replacement of the product or parts due to normal wear and tear, (3) defects or damage to the product or parts resulting from misuse, abuse, neglect, or accidents, (4) defects or damage to the product or parts resulting from improper or unauthorized alterations, modifications, or changes, and (5) defects or damage to any product that has not been installed and/or maintained in accordance with the instruction manual or technical instructions provided by MVP Group Corp. To the extent that warranty exclusions are not permitted under some state laws, these exclusions may not apply to you. This limited warranty is the sole and exclusive warranty of MVP Group Corp with regard to the product. All implied warranties are strictly limited to the duration of the limited warranty applicable to the products as stated above, including but not limited to any warranty of merchantability or of fitness for a particular purpose. In no event shall MVP Group Corp or any of its affiliates be liable to the consumer or any other person for any incidental, consequential, or special damages of any kind (including, without limitation, loss of profits, revenue, or business) arising from or in any manner connected with the product, any breach of this limited warranty, or any other cause whatsoever, whether based on contract, tort, or any other theory of liability. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

**Replacement Part Warranty:** Following the expiration of MVP Group Corp's product warranty, any replacement part purchased by the equipment owner is warranted for a period of ninety (90) days from installation date of replacement part, the compressor or evaporator is warranted for a period of one (1) year from installation date of replacement part. All parts are to be sourced through the local Distributor to qualify for warranty.

Labor warranty is to repair or replace defective components as per time and hourly rate guidelines published by MVP Group Corp. Shall not include travel, normal maintenance, cleaning, adjustments, or correction of improper installation.

**How State Law Applies:** This limited warranty give you specific legal rights, and you may also have rights that vary from state to state or from one jurisdiction to another.

To register your product, please go to [mvpgroupcorp.com/warranty/](http://mvpgroupcorp.com/warranty/) and complete the warranty registration process.

## Warranty

MVP Group Corp (KOOL-IT) warrants to the original purchaser of every new KOOL-IT refrigerated unit to be free from defects in material or workmanship, under normal and proper use and maintenance service as specified by MVP Group Corp and upon proper installation and start-up in accordance with the instruction packet supplied with each unit. MVP Group Corp's obligation under this warranty is limited to a period of three (3) years\* from the date of original installation. \*SEE EXCEPTIONS BELOW\*

Any original part covered under this warranty that is determined by MVP Group Corp to have been defective within three (3) years\* of original installation shall be limited to the repair or replacement, including the labor charge for defective parts or assemblies. The labor warranty shall include standard straight time labor charges only and reasonable travel time, as determined by MVP Group Corp.

Warranty shall not cover standard wear and tear parts which include door gaskets, incandescent bulbs, LED lamps, or fluorescent bulbs. Warranty also does not cover issues caused by improper installation or lack of basic preventative maintenance which includes, but not limited to regular cleaning of condenser coils.

### ADDITIONAL TWO YEAR COMPRESSOR WARRANTY

In addition to the three (3) year\* warranty stated above, MVP Group Corp hereby warrants its hermetically and semi-hermetically sealed compressors to be free from defects in both material and workmanship under normal and proper use and maintenance service for a period of two (2) additional years from the date of original installation, but shall at no times exceed five (5) years after shipment from the manufacturer.

Compressors determined by MVP Group Corp to have been defective within this extended time period will, at MVP Group Corp's option, be either repaired or replaced with a compressor or compressor parts of a similar capacity.

The two (2) year extended compressor warranty applies only to hermetically and semi-hermetically sealed parts of the compressor and does not apply to any other parts or components, including, but not limited to: cabinet, paint finish, temperature control, refrigerant, metering device, driers, motor starting equipment, fan assembly or any other electrical component, etc.

\*EXCEPTIONS: All KOM, KBF, KGM, KGC, KCD, KSM and KGF as well as all ice maker bins shall be warranted for a period of two years parts and labor with an additional warranty of three years for the replacement of the compressor only, as per above.

\*RESIDENTIAL APPLICATIONS: MVP Group Corp assumes no responsibility nor liability for any parts, or labor coverage for component failure, or other damage resulting from installation in residential or non-commercial applications.

This part and labor warranty is the sole warranty policy offered by MVP Group Corp. MVP Group Corp's sole obligation under this warranty is limited to either repair or replacement of parts and is subject to the limitations listed below.

1. MVP Group Corp will bear no responsibility or liability for any equipment which has been misapplied, mishandled, misused, subjected to harsh chemical action, or external causes such as the use of extension cords, electrical power fluctuations, lack of proper maintenance, non-factory approved revisions or modifications, or equipment damaged by fire, flood, or other acts of God.
2. MVP Group Corp will bear no responsibility for consequential loss or damages such as, including but not limited to, economic loss, profit loss, personal injury, property damage, damage during transit, losses or damages arising from food or product spoilage claims.
3. MVP Group Corp shall bear no responsibility for parts or labor coverage for component failure or other damages resulting from improper usage, installation, or maintenance as described in the owner's manual.
4. Exceptions to three (3) year part warranty other than additional two (2) year compressor warranty: Light bulbs and door gaskets are limited to 90 day warranty period, parts only.
5. MVP Group Corp equipment is intended for commercial use only and this warranty is void if the equipment is installed in other than commercial applications.
6. All other warranties, either express or implied, arising under law or equity or custom of the trade, including but not limited to, warranties or merchantability or fitness for a particular purpose, are excluded. MVP Group Corp's liability on any claim, including but not limited to negligence, shall not exceed the price of the equipment that gives rise to the claim.
