# General Information

## Important Note

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models.

Pricing may not yet be finalized for some models or options.

Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.

For illustrative purposes, some images may show vehicles with European Specification.

## Revision History

# Options In Detail

## Steering Wheels

### L6J - AMG Performance Steering Wheel in Nappa Leather

Standard

- Sporty steering wheel with 3-twin-spoke design and flattened bottom section
- Fully finished in nappa leather
- Horizontal twin spokes in high-gloss black, vertical twin spokes in silver chrome with "AMG" lettering
- Aluminum steering wheel gearshift paddles: allow manual gear changes and support a sporty driving style
- Touch control panels: left for control of driver display, cruise control and limiter or Active Distance Assist DISTRONIC; right for control of central multimedia system functions (e.g. audio volume and track selection, telephony and navigation)
- AMG DRIVE UNIT steering wheel buttons

### L6H - AMG Performance Steering Wheel in Microfiber w/ Carbon Fiber Design

Optional

- Sporty steering wheel with 3-twin-spoke design and flattened bottom section
- Fully finished in Microfiber with Carbon Fiber Design
- Horizontal twin spokes in high-gloss black, vertical twin spokes in silver chrome with "AMG" lettering
- Aluminum steering wheel gearshift paddles: allow manual gear changes and support a sporty driving style
- Touch control panels: left for control of driver display, cruise control and limiter or Active Distance Assist DISTRONIC; right for control of central multimedia system functions (e.g. audio volume and track selection, telephony and navigation)
- AMG DRIVE UNIT steering wheel buttons

### L6K - AMG Performance Steering Wheel in Microfiber

Optional

- 3 twin-spoke steering wheel
- Combined version in nappa leather and microfiber in the grip area
- Aluminium steering wheel gearshift paddles
- Touch control panels: on the left: driver display, cruise control and limiter or Active Distance Assist DISTRONIC, on the right: central multimedia system functions (e.g. audio volume and track selection, telephony and navigation)
- AMG steering wheel buttons (U88)

## AMG Night Package

With the AMG Night package, exterior elements such as exterior mirror housings are finished in high-gloss black as well as trim elements in black chrome. Together with the black chrome-plated tailpipe trims, the result is - depending on the desired paint color - either strong contrasts or flowing transitions.

- Exterior features in high-gloss black:
  - Trim of the air inlets left and right on the front apron
  - Exterior mirror housings
  - Beltline and window line bars
- Exterior elements in black chrome
  - Trim strip on A-Wing and front splitter
  - Inserts in the side sill panel
  - Trim element on the rear apron

## AMG Carbon Fiber Package

Detachable parts in carbon-fiber such as the trim of the air inlets on the front apron or the exterior mirror housings, enhance the exterior appearance from all angles. This gives the vehicle and even stronger performance claim.

- Design elements made of carbon-fiber
  - Trim of the air inlets left and right on the front apron
  - Inserts in the side sill panel
  - Insert in the rear apron
- Exterior mirror housing in carbon-fibre design
