Re: Application dated April 19, 1999 and received  
April 19, 1999

Equipment Class: DSS-Part 15 Spread Spectrum Transmitter  
FCC ID: NOLLCM1003067

Gentlemen:

The application for the above equipment is hereby DISMISSED pursuant to  
Section 2.917(b) of the Commission's Rules.

This action was taken in reference to an email request, that was sent by the  
applicant's agent on April 27, 1999.

If you elect to refile for equipment authorization you must submit a  
currently dated and originally signed Form 731, accompanied by the  
appropriate filing fee pursuant to Section 1.1103, and all data required by  
the Rule sections applicable to the equipment. Please be advised that  
resubmitted applications are not given priority in processing.

You are cautioned that importation and marketing of equipment in the United  
States bearing the referenced FCC Identifier is prohibited by Section 2.803  
of the Rules. Violation of this regulation may subject you to penalties  
provided in Sections 501 and 502 of the Communications Act of 1934, as  
amended.

Sincerely,

Linda Elliott
