Declaration of compliance between 4052Z and 4052W

We, TCT Communication LTd., declare 4052Z and 4052W are same product (including HW and SW part). Except code name (model name) and TAC code are not same, others are totally same.

Because 4052Z will be sold to MPCs, customer need 1 new TAC to different 4052W, which is sold to TMO operator. So we applied a new TAC for 4052Z. then 4052Z will be another PTCRB declaration compared with 4052W.
