Special Purpose:

1 Use Premium Model H to protect areas that are 2" in depth or less or with Premium Model S for proper surface coverage.

2 Use Premium Model W for vertical surfaces only. Use with Premium Model S for climbing animals & mud nest building birds.

3 Use E-Spike Half Row for surfaces too narrow to accept the E-Spike full row model.

4 Use Pigeon Spike Plastic Narrow on surfaces that are too narrow to accept the Pigeon Spike Plastic Wide model.
