Laundry Range

Keep your
favourites looking
newer for longer

Electrolux

MAKE IT LAST

Give your clothes a longer life, for a more sustainable future.

At Electrolux, our design team have developed our new range with smart, sustainable features and clean lines for an effortless experience that's kinder to the environment.

Swedish thinking. Better living.

Fabric Care

Effortless laundry for you, better care for your clothes

Protecting clothes from early aging

It isn't always easy to work out how much detergent should go into each wash. And with AutoDose, you don't have to.

Too much or too little detergent can compromise your clothes, but AutoDose delivers the exact amount each load needs. Making sure cotton favourites are protected with each wash – keeping them in better condition for longer.

What's more, if you connect your appliance to your smartphone you'll benefit from personalisable features – for the best way to care for your clothes.

Handle with care

Looking after your clothes is effortless, with Electrolux. Our washers come with a range of smart features that keep your favourites looking their best, for longer.

Washer

Features

Keep your whites bright*

Underdosing detergent gradually turns whites grey, as laundry is left dirty and dull. Trust our AutoDose technology to deliver the right amount of detergent and softener to washing cycles, every time.

*Test: 10 Electrolux washes, cotton/polyester mix, cotton 30°C programme.

Hygienic Care

Vapour not only reduces wrinkles, it also eradicates up to 99.2% of dust mites (Der f1) and cat allergens (Fel d1) and up to 99.9% of Staphylococcus aureus and Klebsiella pneumonia during a 40°C cotton wash, for a clean that's more than just superficial.

Hand it to us

You can safely trust your washer to treat your delicate wool garments with utmost care. Our wool cycle is proven to be gentle even your hand wash only woollens, keeping them as fresh and lovely as they felt when you first put them on.

Quietly efficient

Reduce your energy needs by up to 50%* with a powerful and reliable EcoInverter motor that cuts vibrations and noise to the barest whisper. The ten-year parts and labour inverter motor warranty means your washer will deliver, wash after wash, year after year.

*vs conventional non inverter motors

Fit more in

Just back from a big trip? The new, extra-large door opening makes for seamless loading or unloading of your laundry.

*Electrolux, 10 washes, cotton/polyester mix, cotton 30°C program

Washer Dryers

Wash, dried and cared for in one go

You'll love the efficiency and performance of our washer-dryer range. Using the latest technology, they'll wash, then perfectly drying your clothes – without compromising on stunning results. Saving you time in your busy day.

Intuitive and intelligent

Keep colours bright, whites startling and blacks dark. Smart sensors automatically detect the soil and detergent levels to adjust the washing time for optimal, energy-efficient results that reduces unnecessary wear on fabrics.

Deeper clean

Say goodbye to detergent or soil residue on your freshly washed garments. UltraMix ensures detergent is fully dissolved before it reaches your fabrics for 31% less colour fading after 52 washes, even using cold water.

Hand it to us

You can safely trust your washer dryer to treat your delicate wool garments with utmost care. Our wool cycle is proven to be gentle even on your hand wash only woollens, keeping them as fresh and lovely as they felt when you first put them on.

Nice on knits

Our Woolmark Blue certification ensures your prized hand wash only woollens can be washed safely, with no felting or shrinking.

Dryers

Delicate care

Electrolux dryers adjust temperatures and motion for precise care. So you can relax, knowing you never have to worry about your favourite t-shirt or pants coming out a size too small, ever again.

Careful drying, every time

With Electrolux's Delicate Care technology, every garment is dried at the temperature that suits it best. The fast drum movement on the wool cycle ensures wools are kept flat to reduce shrinkage. Alternatively select the silk cycle to ensure your delicate silks are gently kept aloft to keep their shape. The dryer measures the exact humidity and temperature to protect from over-drying, while the intuitive tumble action helps dry clothes more gently and evenly. So, when you open the door, your clothes will look and feel fresh and ready to wear again.

Nice on knits

Our Woolmark Blue certification ensures your prized hand wash only woollens can be dried safely, with no felting or shrinking.

Gentle on the ears

Inverter technology is designed to be discreet and unobtrusive. Feel free to turn your dryer on any time of the day or night, without it interfering with anything else you're doing.

SILK

Comparisons

Drying with care

Silk comparison

The DelicateCare 800 dryer gives you confidence dry your favourite clothes, whatever they're made of, even silk and down. The DelicateCare System with heat pump tailors low temperatures and drum motion to any fabric. Even your silk garments emerges with up to 50% less creases.

Down jacket comparison

The performance of a down jacket may deteriorate when washing and drying as the down is pressed into corners of the jacket over time. The DelicateCare System adjusts temperature and motion for exactly the correct care so the down is gently fluffed again and its protective abilities restored.

9kg DelicateCare Dryer

Technical info

Features

EDH903BEWA

UltimateCare 800 Series

With a large 9kg capacity and a huge range of features, you will enjoy exceptional results every time. delivery

The purchase of a new appliance is an exciting experience. Electrolux customers can, for an additional charge, choose to have their new appliance delivered by our experienced staff. This service, at the customer's option, includes the removal and recycling of packaging materials and even the old appliance if necessary. Delivery is available in Adelaide, Brisbane, Melbourne, Perth and Sydney. It may not be available in some rural locations and is not available in New Zealand.

home service

Home Service is provided for repairs to appliances by trained technicians. Home Service is available throughout Australia and New Zealand.

spare parts

Home Service and Spare Parts can be contacted by phone using our national numbers (see back page).

warranty

Electrolux Home Products Pty Ltd and Electrolux (NZ) Limited (collectively Electrolux) warrants that for domestic applications the Appliances featured in this brochure are free from defects in materials and workmanship for 2 years, and warrants that for featured accessories a period of 12 months, following the date of original purchase and subject to the conditions set out in the warranty card accompanying the product when purchased. This warranty is in addition to the other rights and warranties you may have under the Australian Consumer Law (ACL) and Electrolux will at all times comply with its obligations at law including the ACL. For New Zealand customers Electrolux will at all times comply with its obligations pursuant to law including the Consumer Guarantees Act, the Sale of Goods Act and the Fair Trading Act. Where appliances are purchased in NZ for commercial purposes the Consumer Guarantees Act does not apply.

product information

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Electrolux will at all times comply with its obligations pursuant to law. Colours of products illustrated are as close as printing limitations allow.

Swedish thinking. Better living.
