

U-LINE

COMMERCIAL

Cultivated Experience

As a leading American manufacturing expert since 1962, U-Line is known for our advanced refrigeration systems, meticulous engineering, and comprehensive expertise across multiple markets including hospitality, foodservice, marine, and residential. Since our founding, the United States Patent and Trademark Office has issued over 50 patents to U-Line.

U-Line is also backed by the largest global manufacturer of commercial kitchen equipment, Middleby Corporation. Middleby products are chosen by 97 out of 100 U.S. food service chains. Middleby's patented innovations have earned top industry and customer awards, including Equipment Supplier of the Year.

*Our commercial products & components
are used in America's largest coffee chains,
retail giants, and restaurants.*

U-LINE
COMMERCIAL

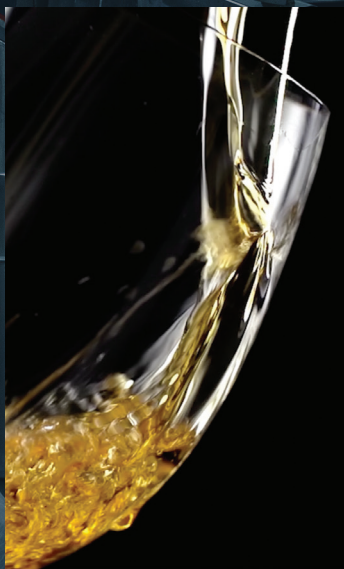

Explore our Commercial Collection at u-line.com/commercial.

Agile Solutions

Our lineup offers modular and scalable solutions for hotels, restaurants, stadium suites, bars, serving stations, entertainment areas and other commercial applications. Our Commercial Collection offers a robust design with modern features:

- Durable stainless steel construction
- Versatile installation options
- Convection cooling for optimal air flow and temperature regulation
- 1-year parts and labor warranty; 5-year sealed system parts warranty

We offer solutions for a variety of applications, currently including over 50 models, with more to come.

Refrigerators & Wine Refrigerators

Available in 15", 18", and 24" footprints, our undercounter options allow you to have what you need, where you need it most.

Dispensers

Creamy nitro cold-brew, refreshing beer, and chilled wine on-tap with our 15" and 24" ready-to-serve dispensing options that accommodate a variety of keg sizes and tanks.

Ice Machines

Serve the ever-popular nugget ice in your beverages and cocktail creations. Customize the ice density from soft and chewable to dense and compact with multiple adjustable ice settings.

Back Bar Refrigeration

With configurable options and multiple sizes, our refrigeration stations provide higher capacity refrigeration storage, fully stocked with the latest technology and adjustable interiors.

Reach-In Refrigerators & Freezers

Preserve produce, meats, and everything in between in varying size options with solid and glass door configurations.

Base Refrigerators & Freezers

Convenient drawer access to chilled & frozen items. Perfect for chef stations and beyond.

Blast Freezers/ Chillers

Rapidly chill ingredients for culinary creations. Powerful functionality fit for your space.

Pizza & Food Prep Table Refrigerators

Complete food preparation stations perfect for assembly of pizzas, sandwiches, and more.

U-Chill®

The incredible in-counter cooling cylinder designed to take serving chilled bottles to the next level. U-Chill® sets any space apart from the rest.

Cool to the Last Drop

U-Chill® is an in-counter cooling cylinder that maintains the temperature of chilled beverages while they are being enjoyed. Perfect for wine, champagne, craft beer, carafes, bottled water, spirits, and other beverages.

This truly unique product integrates into any surface and incorporates into almost any setting - from bars to tables, spas to suites. U-Chill® is maintenance free, easy to clean, and nearly silent in operation. With 27 different color lighting options to gently light the bottle, this interactive, beautiful, and functional piece creates a one of a kind experience for your guests.

Product Specifications

UCC1A • U-Chill®

Smart-Touch Crown

- Control with just a touch
- Hand-polished marine-grade stainless steel (316L)
- Powers off automatically after 4 hours

Interactive LED Lighting

- 27 different color options
- Optional color-flow setting

Simple Installation

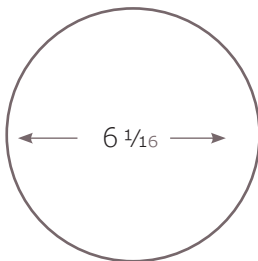

- Installs in 6 1/16" diameter opening in countertops from 1/16" to 2 1/2" thick
- Plugs into standard 115v/60Hz outlet
- AC/DC adapter included
- Width: 6 5/16"
- Height: 11 13/16"

Patented Kryolux™ Technology*

- Dry cooling
- Cold jacket of air surrounds your beverage
- Optimal ambient temp. range: 50°F - 90°F
- Energy efficient
- Near-silent operation

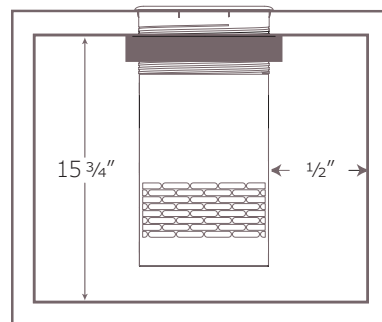

Surface Cutout

Use 6" hole saw

Minimum Space Below Crown

Craftsmanship Handmade in England

U-Line backs each U-Chill® with a 2 year warranty
