Panasonic NE-C1275 Combination Oven

The Panasonic NE-c1275 commercial combination oven is the ultimate answer for fast, high-quality cooking and reheating for busy venues.

With 3-in-1 convection, grilling, and fan grilling capabilities and microwave power, you can expect to produce outstanding quality results up to 8x faster compared to traditional conventional cafe microwaves and restaurant microwaves.

Produce crisp, brown products with easy-to-program, easy-to-use menus for toasties, nachos, lasagne, salmon, pizza, croissants, gourmet pies and so much more. The possibilities are truly endless.

This versatile and powerful restaurant convection oven is compact and features a 30-liter capacity, stainless-steel interior and exterior, 99 programs/pre-sets, three-stage cooking, ceramic insulating tray, and the reliability you expect from Panasonic.
