Ports	<p><b>Rear:</b> USB 2.0 x 3, power connector, Ethernet (RJ-45), security cable slot, HDMI-out, USB 3.1 Gen1 x 1 (for 24IKU / 24IKL), USB 3.1 Gen2 x 1 (only for 24ICB), optional HDMI-in</p> <p><b>Bottom:</b> headphone / microphone combo jack (3.5mm) x 1, media card reader</p> <p><b>Right:</b> USB 3.1 Gen1 x 1</p> <p><b>None</b></p>																																																																																											
TV tuner	None																																																																																											
Audio support	HD Audio, stereo speakers with Dolby® Audio™ certification, 3W x 2, dual array microphone																																																																																											
Display	23.8" (604.5mm) FHD (1920x1080) color, WVA, LED backlight, anti-glare, frameless 16:9 aspect ratio, 250 nits, IPS, borderless																																																																																											
Multi-touch (opt)	Support 10-point touch																																																																																											
Light sensor	None																																																																																											
Controls	Power button, optical drive eject button, cable clip, camera eject button																																																																																											
WLAN	11ac wireless, Wi-Fi + Bluetooth 4.0 combo adapter, 1x1, M.2 card																																																																																											
Bluetooth™	Bluetooth 4.0 wireless, integrated in Wi-Fi + Bluetooth combo adapter																																																																																											
Ethernet	Gigabit Ethernet connection																																																																																											
Remote control	None																																																																																											
Security	Power-on password, administrator password, security slot																																																																																											
Security chip	None
