MAHA

MH-C801D AA2500

Sale!

The **Maha MH-C801D** charging system refreshes old and degraded batteries and makes charging easy. The MH-C801D features eight independent circuits that charge one to eight AA or AAA batteries in any combination. The charger incorporates a large LCD screen displaying the charging status of each battery. The language-based display replaces traditional LED indicators. Maha's new eight cell microprocessor will charge batteries to their maximum capacity without overcharging or undercharging. You may choose between a soft charge (for highest battery life) and fast charge for as little as one hour! The eight cell charger is embedded with a high-rate battery conditioner that will charge, deep-discharge and recharge batteries automatically for maximum rejuvenation. The supplied 100-240V, 50/60Hz adapter employs a rugged DIN connector for reliable contact. This special **MH-C801D8AA2500** version includes **8 MH4AA-250 AA cells!** Best price in the country!
