

ecobee | SmartThermostat Pro

with voice control

One easy install can make all the difference.

5-year limited warranty* with professional installation, and Alexa built-in.

*Requires professional installation. Product must be returned to installing contractor. See warranty certificate for complete details and restrictions.

EB-STATE5CB-01

Here's why pros love us.

SIMPLE

Designed for quick and easy installation — everything needed is in the box.

EFFICIENT

The Carrier Connected Portal can gather system settings from the smart thermostat to provide customers with quicker and more efficient service.

COMPATIBLE

Works with gas, oil, electric, and dual fuel systems. Supports conventional (2H/2C) and heat pump (4H/2C) systems; humidifier and dehumidifier accessories.

Works with
ecobee SmartBuildings

Here's why customers love us.

AT YOUR CONVENIENCE

Everything you need comes in the box, plus direct access to support when needed.

PROVIDES SAVINGS

Save up to 23% on heating and cooling costs.*

* Compared to a hold of 72°F.
See <https://www.ecobee.com/savings> for details.

EXPERTLY INSTALLED

Installed by a Carrier contractor ensures that the thermostat is configured to optimally run the heating and cooling equipment.

ADVANCED CONTROL

With Alexa built-in, customers can ask to play music, hear the news, check weather, control smart home devices, and more. Plus they can control from anywhere with any iOS® or Android® device.*

*Thermostat must be connected to Wi-Fi®.
App requires iOS® or Android® mobile device.
