

PRODUCT UPDATE: DYNABOOK SATELLITE PRO C40-H AND C50-H SERIES NOW AVAILABLE IN LIGHT GOLD

- **The Satellite Pro series from Dynabook: Strong performance, high mobility, great price, and now with an eye-catching stylish golden case**
- **New colour will be on display at GITEX Technology Week, Dynabook stand CC2-16**

14 October 2021, Dubai, UAE – Dynabook Europe GmbH announces the availability of four new models in its attractively priced Satellite Pro C40-H and Satellite Pro C50-H series.

For the first time, notebooks under the Dynabook name are available in the colour Light Gold. This makes the business all-rounders real eye-catchers in the office and home office. The 10th generation Intel® Core™ processors, expandable RAM of up to 16 GB* and fast storage options of up to 512 GB ensure productive and comfortable working. The slim form factor (from 18.9 mm*) and low weight (from 1.55 kg*) make the new Satellite Pro models strong companions in everyday mobile working life.

The Satellite Pro C40-H in 14-inch format and the 15-inch Satellite Pro C50-H in the colour "Light Gold" will be on display along with all our other products at the Dynabook stand at GITEX Technology Week from 17th – 21st October 2021, stand CC2-16, and will be available shortly in the Middle East and Africa.
