E1659FWU

16" class USB powered monitor, new and improved with sleeker design and faster USB 3.0 connection

The e1659Fwu USB powered portable LED backlit monitor is a must-have laptop or desktop accessory. The widescreen monitor receives both power and signal via a single USB cable for plug-and-play connection; it does not require a power cord or VGA cable, and comes with a removable base for maximum flexibility.

Key Features

- 15.6" viewable image and 16:9 aspect ratio
- Ultra-slim and lightweight with stylish piano-black glossy finish
- Auto-pivot feature for viewing in landscape or portrait mode according to display's orientation
- Perfect accessory for the frequent traveler or on-the-go presentations
- USB 3.0 Technology for USB-powered for plug-and-play connection
- USB 3.0 achieves high transfer rates and delivers high-quality images
- Foldable stand for landscape and portrait mode
- Built-in DisplayLink technology for multiple USB monitors connection

AOC

Sleeker Design, Faster Connections

The new and improved USB monitor from AOC is sleeker in design and faster with its USB 3.0 connection. The new USB 3.0 achieves high transfer rates with its total of six wires in the data cable, and delivers high quality images.

Designed with a piano-black glossy finish, this USB monitor has a 15.6" diagonally viewable image. The e1659Fwu offers a 500:1 contrast ratio, 5ms response time, and a 1366 x 768 resolution @60Hz.

The e1659Fwu USB Monitor has a foldable flexi-stand for viewing in landscape or portrait mode. Landscape mode is ideal for presentations and Excel sheets, while the Portrait mode conveniently gives you an easy vertical view of your instant messaging program, or sidebars such as search results. This monitor has the unique auto-pivot feature that automatically adjusts the image according to the display's orientation, so you will never have to change settings as you switch between landscape and portrait mode.

New Design: Thinner, Lighter, Portability at its best

It's ultra lightweight and slim for great portability, making it perfect for business presentations, the frequent traveler, photo frame applications, and dual monitor setups on-the-go. The e1659Fwu USB Monitor is the solution for the frequent traveler who needs to pack multiple displays, as it easily fits into a backpack or the carry case that comes with the USB monitor.

New Design: VESA Wall Mount Compatible

You gave your feedbacks and we have heard you! The new e1659Fwu USB Monitor now comes with VESA 75 x 75 mm Mount Compliant feature, allowing you to easily mount the USB monitor to any wall as long as you have the right wall mount arm and bracket.

Built-in DisplayLink Technology for multiple USB monitors connection

If necessary, multiple USB monitors can be simultaneously connected to a single laptop to function as a multi-monitor PC or Mac, thanks to the built-in DisplayLink USB graphics. Simply installing DisplayLink software on the PC or Mac allows you to easily add multiple USB monitors for external displays without unnecessary extra hardware. The e1659Fwu USB Monitor gives you multiple external displays for your laptop without any complications
