

GE Profile™ 30" Smart Slide-In Electric Convection Fingerprint Resistant Range with No Preheat Air Fry

Model# PSS93YPFS

- No Preheat Air Fry - Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating, a basket or a special tray
- Built-in WiFi - This smart oven features built-in WiFi so you can control oven functions with the SmartHQ app on your smart device
- Fingerprint resistant stainless - Easily wipe away smudges and fingerprints for a look that's always sparkling clean
- Fit Guarantee - This electric convection range will fit your existing 30" cut-out, or GE Appliances will help pay for modifications up to \$300
- 12"/9"/6" Power Boil element - A power boiler produces concentrated heat for rapid boiling in a flexible 12-inch/9-inch/6-inch burner size, so you spend less time waiting and more time cooking
- Synchronized elements - Control two cooktop elements with a single button to create a bigger cooking surface for griddles
- Touch controls - Glide touch controls let you control the cooktop with the swipe of a finger and are easy to clean thanks to seamless integration
- Synchronized clocks and lights - Synchronize your oven and GE Appliances over-the-range microwave so that clocks are always matching and lights automatically come on when a burner is activated with Chef Connect
- True Convection with Precise Air - This oven features True Convection, an advanced convection system that

uses a third heating element and reversing fan for the highest level of heat and air circulation

- Soft-close storage drawer - A full-width drawer closes silently and softly at a touch, and provides space for kitchen storage
- Fast preheat - Preheat the oven quickly and cut down on preheat time with a speedy preheat feature
- Steam clean - A steam cleaning option cleans the oven cavity in a 30-minute cycle with less odor and heat
- Dual element - A dual burner cooktop lets you choose between 8-inch and 5-inch electric elements for a more convenient cooking experience
