

# Alcatel-Lucent Enterprise AT10 & AT10 ANC True Wireless Earbuds

Small, ultra-light earbuds delivering superior comfort and an unparalleled listening experience

The Alcatel-Lucent Enterprise AT10 & AT10 ANC are two new models of true wireless earbuds that combine unique ergonomic design with extraordinary performance. With the earbuds, you can enjoy an enhanced wireless experience — whether you are working at the office, at home relaxing during your free time, working out at the gym or on the go.

### Effortlessly clear calls

Enjoy hands-free, crystal clear calls everywhere even in windy or noisy environments. The built-in high-quality microphones of the wireless earbuds reduce ambient noise effectively, making your conversations flow more freely.

### Premium quality sound for music and videos

The 10mm driver unit of the earbuds is fine tuned to deliver immersive sound all around you with powerful bass, stunning highs and clear mids. The true wireless earbuds make it easy for you to get lost in your music and enjoy high-quality sound for games, movies, podcasts and calls.

### Convenient mute control for calls via a single tap

Mute and unmute your calls with just a single tap! During conference calls especially on the go, you will be able to mute and unmute yourself quickly and easily with our earbuds, and not have to fumble through an app or an additional device to find the mute function.

### Long-lasting battery for your all-day listening needs

Use the earbuds for listening all day without worrying about running out of charge. The earbuds last up to 6 hours on a single charge and provide extra 18 hours of listening thanks to the portable charging case. The independent single-bud use feature allows you to further extend the battery life.

### Reliable connectivity

The Bluetooth earbuds come with a pre-paired USB-A Bluetooth dongle which offers easier connection via plug & play and more stable connectivity for a better listening experience.

### Active Noise Cancellation (ANC) and Transparency Mode (for AT10 ANC)

The ANC Mode allows you to stay focused on what you are doing. You can simply long press to switch to the Transparency Mode which lets you hear the world around you without taking off the earbuds.

AT10

AT10 ANC

Features	Benefits
Excellent call noise reduction	Enhanced call clarity with Environmental Noise Cancellation (ENC)
Convenient tap-to-mute feature for calls	Experience ultimate ease of control
Wide compatibility with UC platforms	Smooth connection for a better call experience
Long Bluetooth connection range	Allow you to move around freely within a range of up to 30 meters
Ultra-lightweight	Superior comfort for all-day wear

## Technical Specifications

<b>Audio</b>	Active Noise Cancellation (for AT10 ANC)	Hybrid ANC (with Transparency Mode)
	Call noise reduction	2-mic ENC (for AT10) / 3-mic ENC (for AT10 ANC)
	Speaker size	Ø 10mm
	Speaker frequency in music mode	20Hz~20kHz
	Speaker frequency in talk mode	100Hz~8kHz
	Microphone type	MEMS x 4 (for AT10) / MEMS x 6 (for AT10 ANC)
	Microphone frequency range	100Hz~10kHz
	Supported audio codecs	SBC (Sub-Band Coding), AAC (Advanced Audio Coding)
	Wind noise protection & hearing protection	Yes
<b>Battery</b>	Charging case input	5V 0.5A
	Charging method	Charging case: USB-A to USB-C charge cable Earbuds: Pogo pins in the charging case
	Talk time/playback time (laboratory data)	4 hrs/6 hrs (for AT10 ANC in ANC Off mode and AT10) 3 hrs/4.5 hrs (for AT10 ANC in ANC On mode)
	Total playback time (dual-ear use)	Around 24 hrs (6 hrs per charge + 3 extra charges via the charging case)
	Charging time	Around 1.5 hrs (same for charging using the included charge cable and charging case)
	<b>Connectivity</b>	Connection
Bluetooth version		5.2
Bluetooth profiles		HSP, HFP, A2DP, and AVRCP
RF range		Bluetooth: > 30m USB-A Bluetooth dongle: > 10m
Pairing PIN		(if applicable) 0000
Simultaneous Bluetooth connections		2 (1 connection is reserved for the USB-A Bluetooth dongle)
<b>General</b>	Package contents	AT10/AT10 ANC earbuds, 3 pairs of ear gels (S/M/L), charging case, USB-A to USB-C charge cable, USB-A Bluetooth dongle, quick user guide (with safety instructions)
	Packaging dimensions (L x W x H)	103mm x 102mm x 45mm
	Product dimensions (L x W x H)	Earbud: 35mm x 20mm x 15mm Charging case: 65mm x 51.5mm x 26.5mm USB-A Bluetooth dongle: 19mm x 12mm x 5mm
	Weight	Earbud: 4.2g x 2 Charging case: 41.5g
	Materials used (outside)	PC-ABS plastic, silicone
	Charge cable length	300mm
	IP rating	IPX4
	Warranty	2-year limited warranty
	Operation method	Touch control
	Charging temperature	0°C~45°C
	Operating temperature	-10°C~55°C
	Storage temperature	-20°C~65°C
	Certifications	Bluetooth® 5.2 CE, FCC, IC Material Compliance: RoHS, REACH, and Proposition 65
	Compatibility	Platforms/devices: Mainstream Unified Communications (UC) platforms, Alcatel-Lucent Enterprise deskphones, and Rainbow App: ALE Go (available for iOS and Android)
