

Exhibit 4

Description of Changes

The 15" color LCD monitor

Model No. : 1501FP

FCC ID : A3KM095

Was granted by FCC on Oct. 13, 1999, as attached grant of equipment authorization.

Per customer request and quality improvement the following changes were made:

- New LCD panel was used.
- Main control board was re-layout.

The changes will be made only in these unit produced after the change is authorized.
