**CAUTION:** DISCONNECT ALL TELEPHONE AND POWER LINES FROM THE WALL OUTLETS BEFORE SERVICING OR DISASSEMBLING THIS EQUIPMENT OR REPLACING THE BATTERIES. TO REDUCE RISK OF FIRE, USE ONLY 9V (1604) ALKALINE OR CARBON-ZINC BATTERIES.

REMOTE CODE  
528

If a 3 beep signal is heard when you press the "TALK" control, the digital security code has been lost. The handset can no longer communicate with its base. To reset: 1. Check to make sure the AC adaptor is connected. 2. Return handset to base for 5-10 seconds to reset the security code. 3. If this doesn't reset, unplug the AC adaptor from the power source; disconnect battery and reconnect; place handset on base and replug AC adaptor. If this does not work, call the Consumer Hotline at 1-800-366-0937.
