Acer Nitro 50 Gaming Desktop - Intel Core i5 8GB-RAM 512GB-SSD NVIDIA GeForce GTX1650 2GB Graphics

Take your gaming setup to new heights with this sleek Acer Nitro 50 Gaming Desktop! It flaunts a competitive Intel Core i5 11400 processor, 8GB DDR4 RAM, NVIDIA GeForce GTX 1650, and a generous 512GB SSD capacity, letting you enjoy a powerful system that can handle all of your gaming needs. It also comes with Bluetooth 5.0 connectivity, which allows you to connect various compatible devices wirelessly. Key Features Absolute Gaming Companion: Less lags, more victory! With Acer Nitro 50's impressive specs, it can surely support you whether you are gaming, studying, or working. Sleek Design: This Acer Nitro 50 Gaming Desktop showcases a black matte finish, adorned with red accents to add a touch of sleek, minimalist, and professional-like style to your gaming setup. For more flair, its interior is also lit up with dark red lighting that turns on once you've powered up your desktop. Powerful Performance: Acer Nitro 50 Gaming Desktop is driven by an Intel Core i5 11400 processor, which boasts a speed of 2.6 GHz and a turbo speed of 4.4

GHz. It also integrates an 8GB DDR4 RAM, allowing you to seamlessly run games, tools, and software. Intuitive Navigation: This gaming desktop comes with a separate mouse and keyboard that you can connect and use on your computer. Graphics Quality: Thanks to Acer Nitro 50's dedicated NVIDIA GeForce GTX 1650 graphics card with 4GB memory, you can play games in high graphic settings, enjoy a smooth visual performance, and effortlessly run various software. Premium Sound: To make gaming more immersive, the desktop comes with a handy 3.5mm port for adding various compatible audio accessories. Memory Capacity: Acer Nitro 50 packs in a spacious 512GB SSD capacity, allowing you to have quick access to your most essential files. Seamless Connections: You can now instantly pair compatible networks and devices thanks to its Bluetooth 5.0 connectivity and 802.11ax supported IEEE standards. It also comes with one USB 3.2 Gen 2 port, one USB Type-C port, two USB 3.2 Gen 1 ports, two USB 2.0 ports, an HDMI port, and an RJ-45 Ethernet Port. Intuitive Interface: Acer Nitro 50 Gaming Desktop equips a user-friendly Windows 10 Home operating system, allowing you to navigate your device easily. You can also use its handy features, download apps from the Windows Store, and even utilise Cortana.
