Re: FCC ID: QIPMC46

Applicant:	Siemens AG
Correspondence Number:	10433
731 Confirmation Number:	TC280287
Date of Original E-Mail:	12/05/2003

Subject:

1) Regarding your answer to question 1. Your analysis suggests a radiated power that exceeds the exclusion levels of 2.1091. Please provide MPE measurement data or complete justification that the exclusion levels are met.

2) Regarding your answer to question 2. References to handheld devices are still found in the manual. Please update page 13 to make it more clear that portable usage of this device is not allowed without a new FCC certification.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal pursuant to Section 2.917(c).

DO NOT Reply to this email by using the Reply button. In order for your response to be processed expeditiously, you must upload your response via the Internet at www.fcc.gov, E-Filing, OET TCB/Accreditor Electronic Filing, TCB Login, Submit Correspondence. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
