

Ultimate Earbuds For Daily Life

The new Galaxy Buds Live combine an iconic and ergonomic design with a deep sound and advanced convenience. The new Galaxy Buds Live also come with active noise cancelling to not only provide a live and deep sound experience but also best-in-class call and voice quality.

Highlights Galaxy Buds Live

- Up to 28 hours music playback
- 60 mAh / 472 mAh
- Qi compatible wireless charging
- Bixby with always on mic
- Sound by AKG

Iconic design with ergonomic fit

Unique earbuds and case design with new shape. The ergonomic and tipless design ensures a comfortable fit and is a stylish fashion accessory. The new Galaxy Buds Live come in Mystic Bronze, Mystic Black and Mystic White to perfectly match your style.

Live and deep sound with ANC

With sound by AKG and bigger 12mm speaker with Bass Duct, the Galaxy Buds Live greatly improve the sound quality so that you can enjoy your music wherever you are. For the first time, the Galaxy Buds Live come with ANC (Active Noise Cancellation) to ensure that you hear what you want to hear, whether it is music or voices during a phone call. To ensure that the other person hears you well, the Galaxy Buds Live are equipped with 3 microphones to catch every word.

The most convenient earbuds

The new Galaxy Buds Live come with a playback time of 22 hours and fast charging so that you can enjoy 35 minutes of music with a 3 minute charge. In addition to this, they are Qi-compatible so you can charge your Galaxy Buds Live on the go with your Samsung Galaxy Smartphone or any Qi-Compatible wireless charger.
