

# SHADE LAPTOP 20000

Portable charger with fabric covering

THE POWER BANK IDEAL FOR LAPTOP AND TABLET

SHADE LAPTOP 20000 is Cellularline's new portable charger that blends together design and technology.

The modern fabric covering makes this power bank stylish and ergonomic, guaranteeing a firm grip and pleasant feel.

Moreover, thanks to the Device Detect system, SHADE LAPTOP 20000 recognizes the device to which it is connected and activates the most suitable charging technology, delivering up to 65W of power.

The 65W USB-C Power Delivery port makes this power bank the ideal device to recharge Macbook, USB-C Laptop and Tablet.
