# Highlights

## Soft, rubberised wing tips.

Three sizes of interchangeable rubber ear-tip covers create a perfect seal. Flexible wing tips fit securely under the ridge of your ear. No matter how hard you go, these sports headphones stay where you need them.

## Perfect seal.

No matter how hard you go, these headphones stay in place. Flexible wing tips fit securely under the ridge of your ear. Interchangeable rubber ear-tip covers in small, medium and large let you find the perfect in-ear fit for you.

## Smart pairing.

The user-friendly buttons let you pause your playlist and take calls, all without touching your smartphone. The headphones are ready to pair the instant you switch on Bluetooth. Once they're paired, they remember the last device they were paired with.

## Tap the earbud

Perfectly tuned neodymium acoustic drivers deliver detailed sound and strong bass. Simply tap the earbud to pause your playlist and take calls — all without touching your smartphone.

## Get up to 24 hours of play time

Throw a fully charged case in your gym bag and get up to 24 hours of play time.

## IPX5 waterproof.

These sports headphones boast an IPX5 soak-proof rating, which means they're resistant to sustained soaking. Sweat hard, train in the rain or even wear them in the shower.

## Portable charging case.

Hit the gym. Then the trail. These true wireless in-ear headphones come with an ultra-portable charging case.

## UV cleaning.

You can keep these sports headphones as fresh as your workout beats. Simply place the earpieces in the charging case and a UV cleaning cycle will remove bacteria.
