Dedicated Account Manager

Your dedicated account manager will make sure that you get exactly what you need, when you need it.

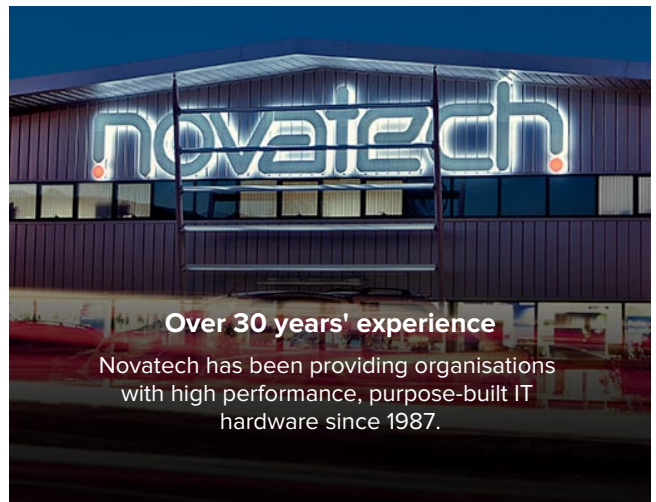

We build it, we know it, we support it

We know our products inside out, so we can look after them, and you, better than anyone else.

Free lifetime tech support

We stand by all our own products, so tech support and advice is always free for the life of the product.

Over 30 years' experience

Novatech has been providing organisations with high performance, purpose-built IT hardware since 1987.

Novatech Finance & Leasing

Efficient funding options for all IT equipment and its maintenance

Novatech can provide efficient funding options for all IT equipment and its maintenance that not only spreads capital costs across manageable periods but also reduces unplanned expenses.

Visit novatech.co.uk/leasing, or speak to your account manager for more info.

This quotation has been generated for your convenience only, and shall not be deemed to form any part of a legal contract. Pricing shown is subject to change without notice. Our component costs vary daily; therefore, if you require an official Novatech quotation with accurate pricing, please contact our managed accounts team.

System configuration/s shown within this quotation cannot be guaranteed for compatibility. Once an order is received, Novatech engineers will evaluate all configurations for suitability and compatibility. In the event that a configuration requires modification, Novatech will not be held responsible for any additional costs.

All sales are subject to our standard terms and conditions. If delivery is not stated, delivery is excluded from the quote. Errors and omissions are exempt.
