

HP EliteBook 840 G6 Healthcare Edition Notebook PC

Safer, smarter, and secured for healthcare

Deploy a mobile powerhouse built to your security, collaboration, and workflow efficiency requirements with the HP EliteBook 840 G6 Healthcare Edition Notebook. It's ready for your infrastructure, can be sanitized, and minimizes TCO with optional, built-in telemedicine and authentication.^{1,2,3}

HP recommends Windows 10 Pro.

Promote patient safety

- Support your infection control initiatives with a system that can be sanitized every shift, every day² and is bed bug treatable⁴. It's also certified to meet EN/IEC 60601-1-2 technical standards for safety near patients and medical devices.

Simplify tasks with a smart design

- Streamline clinical tasks with telemedicine features and optional integrated dual-band RFID reader³ and FIPS-201 compliant fingerprint reader³ for single sign-on. Asset management is easy with optional integrated real-time location awareness.³

Security where it matters most

- Shield your system against potential data and visual hacking with the full HP security software suite, a webcam shutter, HP Sure View Gen2 privacy screen, and built-in biometric authentication features.
- Be productive in any situation and power through your day with Windows 10 Pro and powerful security, collaboration, and connectivity features from HP.⁵
- Keep productivity moving with the latest Intel® Core™ processors and optional Intel® vPro™. Conquer signal loss issues in clinical settings with improved WLAN.^{3,6,7,8}
- Get back to patients fast with the HP Easy Clean app, which disables the touchscreen, keyboard, and clickpad so you can sanitize the system while it's on.⁹
- Protect against visual hacking with HP Sure View Gen2. Launch the integrated privacy screen at the touch of a button to make your screen unreadable to everyone but you. Deter remote visual hacking with the webcam privacy shutter.
- Support telemedicine with a Skype for Business certified system. HP is also a Vidyo Partner Elite, which ensures the HP EliteBook 840 G6 Healthcare Edition Notebook pairs optimally with Vidyo solutions.
- Maximize your deployments and track and analyze where your notebooks are used with our first ultra-slim notebook for healthcare with integrated real-time location awareness supporting your WiFi® or RFID environment solutions.³
- Save time electronically prescribing medications with the optional FIPS 201-compliant fingerprint reader, or logging in with the IR camera and Windows Hello, which enable you to use your face as your password.^{3,10}
- Firmware attacks can completely devastate your PC. Stay protected with HP Sure Start Gen5, the self-healing BIOS that automatically recovers itself from attacks or corruption.¹³
- To get control of your PC, attackers first need to take down its defenses. Keep critical security protections up and running with HP Sure Run Gen2.¹²
- Help protect your PC from websites, read-only Microsoft Office and Adobe® PDF attachments, malware, ransomware, and viruses with hardware-enforced security from HP Sure Click.¹⁴
- Advanced malware attacks can destroy your OS and disrupt your business. HP Sure Recover ensures fast, secure, and automated recovery of your OS with only a network connection, so you can minimize downtime and get back to business fast.¹⁵
- Trust a notebook that passes HP's Total Test Process and undergoes MIL-STD 810G testing.^{18,19}

Dimensions	12.84 x 9.22 x 0.71 in
Weight	Starting at 3.56 lb
Energy efficiency compliance³⁸	ENERGY STAR® certified; EPEAT® 2019 Silver in U.S.
Environmental specifications³⁹	Low halogen; TCO 8.0 Certified
Warranty	HP Services offers 3-year and 1-year limited warranties and 90 day software support options depending on country and the SKU selected by the customer. Batteries have a default one year limited warranty except for Long Life batteries which will have same 1-year or 3-year limited warranty as the platform. On-site service and extended coverage is also available with HP Care Pack Services, optional extended service contracts that go beyond the standard limited warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at: http://www.hp.com/go/cpc .

HP EliteBook 840 G6 Healthcare Edition Notebook PC

Accessories and services (not included)

HP USB-C Notebook Power Bank

Boost your notebook's¹ uptime and charge your everyday USB devices at the same time with the portable, chargeable HP Notebook Power Bank.
Product number: 2NA10AA

HP Thunderbolt Dock 120W G2

Reinvent docking and boost productivity with our most versatile Thunderbolt™ dock, the small, sophisticated HP Thunderbolt Dock G2. Designed for workspace flexibility and network manageability¹, it delivers USB-C™² device connectivity and optional integrated audio.³
Product number: 2UK37AA

HP Thunderbolt Dock 120W G2 with Audio

Reinvent docking and boost productivity with our most versatile Thunderbolt™ dock, the small, sophisticated HP Thunderbolt Dock 120W G2 with Audio Module. Designed for workspace flexibility and network manageability¹, it delivers USB-C™² device connectivity and audio.
Product number: 3YE87AA

HP Notebook Power Bank

Boost your notebook's¹ uptime and charge your everyday USB devices at the same time with the portable, chargeable HP Notebook Power Bank.
Product number: N9F71AA

HP Essential Keyed Cable Lock

Add an extra layer of security to your notebook with the HP Essential Keyed Cable Lock, designed for any notebook with a standard lock slot.
Product number: TOY14AA

HP Slim Wireless Keyboard and Mouse

Boost productivity and maximize your workspace with the stylish and compact HP Slim Wireless Keyboard and Mouse, designed to complement the 2015 class of HP Business PCs.
Product number: T6L04AA

HP 3 year Next Business Day Onsite Hardware Support w/Accidental Damage Protection-G2 for Notebooks

When hardware issues come up, the sooner you can get running again, the better. Have expertise at the ready with HP Hardware Next Business Day Onsite Service with Accidental Damage Protection, and vastly improve your product uptime. With high-quality remote assistance or convenient onsite support available the next business day, help is there when you need it—so you can get back to work.
Product number: UC282E (for 1 year platforms), UF631E (for 3 year platforms)

HP EliteBook 840 G6 Healthcare Edition Notebook PC

Messaging Footnotes

- ¹ Safer and smarter based on HP Healthcare Edition products compared to other HP products as of June 2019 based on ability to be cleaned with sanitizing agents listed in the user guide and EN 60601-1-2:2015 testing.
- ² See user guide for cleaning instructions. The HP EliteBook 840 G6 Healthcare Edition Notebook is not intended for use in diagnosis, cure, treatment or prevention of disease or other medical conditions.
- ³ Sold separately as a configurable option.
- ⁴ Tested with Nuvan ProStrip.
- ⁵ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- ⁶ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- ⁷ Some functionality of this technology, such as Intel® Active Management Technology and Intel Virtualization technology, requires additional 3rd party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on 3rd party software providers.
- ⁸ Compared to predecessor.
- ⁹ HP Easy Clean requires Windows 10 RS3 and will disable the keyboard, touchscreen, and clickpad only. Ports are not disabled. See user guide for cleaning instructions.
- ¹⁰ Requires Windows 10.
- ¹¹ See product specifications for availability.
- ¹² HP Sure Start Gen5 is available on select HP PCs with Intel processors. See product specifications for availability.
- ¹³ HP Sure Click is available on select HP platforms and supports Microsoft® Internet Explorer, Google Chrome™, and Chromium™. Supported attachments include Microsoft Office (Word, Excel, PowerPoint) and PDF files in read-only mode, when Microsoft Office or Adobe Acrobat are installed.
- ¹⁴ See product specifications for availability. Requires an open, wired network connection. Not available on platforms with multiple internal storage drives. You must back up important files, data, photos, videos, etc. before using HP Sure Recover to avoid loss of data. HP Sure Recover (Gen1) does not support platforms with Intel® Optane™.
- ¹⁵ HP Total Test Process testing is not a guarantee of future performance under these test conditions. Any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
- ¹⁶ MIL-STD testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Any accidental damage requires an optional HP Accidental Damage Protection Care Pack.

Technical Specifications Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- ² Some devices for academic use will automatically be updated to Windows 10 Pro Education with the Windows 10 Anniversary Update. Features vary; see <https://aka.ms/ProEducation> for Windows 10 Pro Education feature information.
- ³ Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- ⁴ Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.
- ⁵ In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on <http://www.support.hp.com>.
- ⁶ Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.
- ⁷ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software.
- ⁸ WWAN module is optional, must be configured at the factory and requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions.
- ⁹ WWAN module requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions.
- ¹⁰ Gigabit class 4G LTE module is optional and must be configured at the factory. The full utilization of this module's Gigabit functionality is dependent on network providers' technical ability to support this network and speed. Backwards compatible to HSPA 3G technologies. Module requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions.
- ¹¹ Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming.
- ¹² Sold separately or as an optional feature.
- ¹³ SE Security Access Module (SE SAM) is a separate hardware SIM inserted into the RFID reader and is required to support SE, SEOS, and iClass credentials for reading HID/iClass card types.
- ¹⁴ HD content required to view HD images.
- ¹⁵ AMD Dynamic Switchable Graphics technology requires an Intel processor, plus an AMD Radeon™ discrete graphics configuration and is not available on FreeDOS and Linux OS. With AMD Dynamic Switchable Graphics technology, full enablement of all discrete graphics video and display features may not be supported on all systems (e.g. OpenGL applications will run on the integrated GPU or the APU as the case may be).
- ¹⁶ Resolutions are dependent upon monitor capability, and resolution and color depth settings.
- ¹⁷ HP Sure View integrated privacy screen is an optional feature that must be configured at purchase. It is only available on non-touch models and is designed to function in landscape orientation.
- ¹⁸ HP Support Assistant requires Windows and Internet access.
- ¹⁹ HP Driver Packs not preinstalled, however available for download at <http://www.hp.com/go/clientmanagement>.
- ²⁰ HP Manageability Integration Kit can be downloaded from <http://www.hp.com/go/clientmanagement>.
- ²¹ Absolute agent is shipped turned off, and will be activated when customers activate a purchased subscription. Subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. The Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: <http://www.absolute.com/company/legal/agreements/> compute-trace-agreement. Data Delete is an optional service provided by Absolute Software. If utilized, the Recovery Guarantee is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either obtain a PIN or purchase one or more RSA SecurID tokens from Absolute Software.
- ²² HP Automatic Drive Lock is not supported on NVMe drives.
- ²³ HP Fingerprint Sensor sold separately or as an optional feature.
- ²⁴ HP Secure Erase for the methods outlined in the National Institute of Standards and Technology Special Publication 800-88 "Clear" sanitation method. HP Secure Erase does not support platforms with Intel® Optane™.
- ²⁵ Firmware TPM is version 2.0. Hardware TPM is v1.2, which is a subset of the TPM 2.0 specification version v0.89 as implemented by Intel Platform Trust Technology (PTT). TPM is version 2.0. Hardware TPM is v1.2, which is a subset of the TPM 2.0 specification version v0.89 as implemented by Intel Platform Trust Technology (PTT).
- ²⁶ HP Sure Click is available on select HP platforms and supports Microsoft Internet Explorer, Google Chrome™, and Chromium™. Supported attachments include Microsoft Office (Word, Excel, PowerPoint) and PDF files in read only mode, when Microsoft Office or Adobe Acrobat are installed.
- ²⁷ Windows Defender Opt in and internet connection required for updates.
- ²⁸ HP Sure Start Gen5 is available on select HP PCs with Intel processors. See product specifications for availability.
- ²⁹ HP Sure Run Gen2: See product specifications for availability.
- ³⁰ HP Sure Recover Gen2: See product specifications for availability. Requires an open, wired network connection. Not available on platforms with multiple internal storage drives. You must back up important files, data, photos, videos, etc. before using HP Sure Recover to avoid loss of data. HP Sure Recover (Gen1) does not support platforms with Intel® Optane™.
- ³¹ HP BIOSphere Gen5 is available on select HP Pro and Elite PCs. See product specifications for details. Features may vary depending on the platform and configurations.
- ³² HP Client Security Manager Gen5 requires Windows and is available on the select HP Pro and Elite PCs. See product specifications for details.
- ³³ HP Sure Sense requires Windows 10. See product specifications for availability.
- ³⁵ Recharges the battery up to 50% within 30 minutes when the system is off or in standby mode. Power adapter with a minimum capacity of 65 watts is required. After charging has reached 50% capacity, charging will return to normal. Charging time may vary +/-10% due to System tolerance.
- ³⁶ Availability may vary by country.
- ³⁷ HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.
- ³⁸ Based on US EPEAT® registration according to IEEE 1680.1-2018 EPEAT®. Status varies by country. Visit www.epeat.net for more information.
- ³⁹ External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
- ⁴⁰ Some functionality of vPro, such as Intel Active Management technology and Intel Virtualization technology, requires additional 3rd party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on 3rd party software providers. Compatibility with future "virtual appliances" is yet to be determined.
- ⁴¹ Standalone GPS is an optional feature and requires factory configuration. GPS and WWAN are mutually exclusive.
