

2008 BMW
3 Series
Sports Wagon

The Ultimate
Driving Machine®

328i
328xi

The king of this particular jungle.

A very moving experience.

Did we mention
its first name
is "Sports"?

Good things come in 3's.
Now 6's, too.

At BMW, even the safety features
are high-performance.

Clean, uncluttered and elegant.

Room for practically everything.
Except error.

A retractable vertical luggage net divides cargo and passenger areas, keeping pets, gear and groceries safely in back. Standard roof rails, and BMW's accessory roof rack system, let you store more gear on top.

Lowering the 60/40 split-folding rear seats increases cargo space, as does a hidden storage compartment underneath the cargo floor. A handy power socket adds to the practicality. The rear cargo area provides 24.8 cu. ft. of storage with the rear seats in the upright position. With the rear seats folded down, the cargo area can be expanded to an impressive 58.0 cu. ft.

The removable cargo-area cover tilts up automatically when you open the rear window or tailgate.

Recommended color combinations

Materials	Leatherette ¹		Dakota Leather ²			
Upholstery colors	Beige	Black	Beige	Gray	Terra	Black
Exterior colors

4AC Light Poplar Wood ⁵						
4AD Brushed Aluminum ⁵						

¹Leatherette upholstery: Standard.

²Dakota Leather upholstery: Optional, and included in optional Premium Packages.

³Metallic exterior paint is optional.

⁴Standard.

⁵No-cost options.

The pages in this section of the brochure show available colors and materials for the BMW 3 Series Sports Wagon. Use these samples to compare paint, upholstery and trim colors and combinations. Please note that these samples are representations; they are not exact reproductions. To see the actual colors, visit your local BMW center.

 bmwusa.com

■ Standard equipment

□ Optional equipment

□ **Xenon Adaptive Headlights** provide brilliant clarity of the road ahead and to the side. The auto-leveling feature adjusts to keep headlight glare out of the eyes of oncoming drivers. **BMW Adaptive Headlights** provide optimum road illumination around corners, thanks to a control system that directs the headlights into and around bends when cornering.

■/□ **Retractable high-intensity headlight washers** help keep lights clean of ice, mud, road salt and other coatings, for maximum road lighting and enhanced driving safety. (standard in 328xi; included in optional 328i Cold Weather Package)

■ BMW's **distinctive front kidney-shaped grille** features a chrome surround and black vertical slats.

■ **Halogen free-form foglights**, integrated into the deep front spoiler, enhance your margin of safety in bad visibility. Ellipsoid free-form technology ensures even light distribution on the road.

■ **Door-handle-mounted ground lighting** turns on automatically whenever the doors are unlocked or opened for entry or exit, conveniently illuminating the ground in front of the door.

□ **Park Distance Control** uses ultrasonic sensors in the rear bumper to help you judge the distance to other cars and unseen objects when parking. The beeping becomes faster as your bumper approaches the object, turning into a constant tone when the distance is less than 12 inches.

■ **Adaptive Brake Lights** increase vehicle visibility and signal the intensity of your braking action.

■ **Roof rails** are designed to accommodate the BMW Accessory roof rack system to easily transport bikes, skis, snowboards and more.

■ **Panoramic moonroof** features fully electric slide and lift control. When open, the wind deflector minimizes turbulence. Includes comfort opening/closing function, and a sliding interior sunshade to shield the cabin from excessive heat.

■ Standard equipment

□ Optional equipment

■ **Three-spoke leather-wrapped multi-function steering wheel** lets you keep both hands on the wheel while adjusting various comfort functions, such as changing the radio, CD selections and volume. Optional Voice Command (included with optional Navigation system) can be used to change radio stations and audio selection, Navigation system destinations, and **Bluetooth®** (if so equipped) telephone entries.

□ **6-speed STEPTRONIC automatic transmission** provides a choice of three modes: “Drive,” which incorporates BMW’s Adaptive Transmission Control; “Sport” automatic, for a more dynamic shift pattern; and STEPTRONIC automatic, for the hands-on control of a manual without using a clutch. (Shown with iDrive, which is included with optional Navigation system)

■ **6-speed manual transmission** delivers a precise, athletic feel. Its responsiveness is due, in part, to the enhanced synchronization of shifts from neutral to each gear. A shortened shift lever and “throw” add to the sporty feel of the gearbox. The sixth gear drops revs at highway speeds for smooth cruising. (Shown with iDrive, which is included with optional Navigation system)

■ **Two cupholders** are integrated into the dashboard, and can easily be retracted when not in use. (The driver’s cupholder is not shown.) Two cupholders are also provided in the rear-seat center console for rear-seat passengers.

■ The **on-board computer** with Check Control provides valuable feedback on the vehicle’s operating status: oil level indicator and distance to next service appointment/oil change, as well as other detailed information, such as spark plug and micro-filter status. It also provides travel information – travel range on remaining fuel, external temperature, and more.

■ **Rain sensor** uses infrared light to measure the amount of rain. When the wipers are in the “intermittent” mode, the rain sensor automatically adjusts the windshield wiping interval as needed. **Automatic headlight control** (not shown), included with rain sensor, activates headlights by means of a sensor that responds to darkness.

■ Standard equipment

□ Optional equipment

□ **17 x 8.0 Star Spoke (Style 159) light alloy wheels with 225/45 run-flat¹ all-season tires.** (included in 328xi Sport Package; not available in 328i)

■ **16 x 7.0 Double Spoke (Style 268) light alloy wheels with 205/55 run-flat¹ all-season tires.** (standard on 328i/328xi)

□ **Double Spoke (Style 161) light alloy wheels and run-flat¹ performance tires.²** In front: 17 x 8.0 wheels and 225/45 tires; in back: 17 x 8.5 wheels and 255/40 tires.³ (included in 328i Sport Package; optional in 328xi, requires Sport Package)

¹ Run-flat tires do not come equipped with a spare tire.

² Performance tires not recommended for driving in ice and snow.

³ Due to low-profile tires, wheels, tires and suspension parts are more susceptible to road hazard and consequential damages.

■ **BMW AM/FM stereo CD/MP3 player** includes Radio DataSystem (RDS), Auto-Store, and 3-channel FM diversity antenna.

□ **HD Radio™** (not shown) receives free, digital AM/FM broadcasts in clear, static-free quality sound; "multicast" FM stations; and innovative data services.⁴ Optional HD Radio feature can be ordered in combination with optional Logic7 Surround Sound audio system.

⁴ For more information on HD Radio receivers and to find HD Radio AM/FM stations near you, visit HDRadio.com.

□ **SIRIUS Satellite Radio** delivers nonstop sports, news/talk, entertainment, traffic/ weather, and 100% commercial-free music – all day, all night, across the continental U.S. (Shown on optional Navigation system)

□ **Logic7 Surround Sound** anti-theft AM/FM stereo CD/MP3 player audio system provides outstanding sound with 13 speakers and the adjustable surround sound function to create a luxurious soundscape all around you. The subwoofer speakers are in the door sill and produce an authentic bass sound.

■ Standard equipment

□ Optional equipment

■ **Auxiliary input port** lets you connect an external audio source, such as an iPod® or MP3 player.

□ **iPod and USB adaptor** lets you scroll through and select the music you want by using the car's radio controls, the multi-function steering wheel buttons or iDrive Controller. Music titles are displayed on the radio or Navigation screen.

■ **Engine Start/Stop button⁵ and remote key** control the engine. First, insert the remote key into the starter switch slot. After the electronic identification system confirms that it is the correct remote key, you can start (or later, turn off) the engine by pressing the Start/Stop button.

⁵ Foot must be on brake or, with manual transmission, must depress the clutch in order to start.

□ **Active Cruise Control⁶** system uses radar measurements to automatically maintain a preset speed and distance between your vehicle and the one ahead in highway driving. (requires optional automatic transmission)

⁶ Active Cruise Control is not a substitute for the driver's own responsibility in adjusting speed and otherwise controlling the vehicle. After evaluating road, traffic and visibility conditions, the driver must decide whether and how the system is used.

□ **Manual roller sunblind for rear side windows** help keep the sun's heat and glare out of the passenger compartment while providing privacy for rear-seat passengers. The blinds also create a comfortable environment for sleeping infants and children.

□ **Comfort Access system** offers a greater degree of convenience: keyless access to your car. Simply carrying the remote key in a pocket allows you to unlock the doors by touching the door handle. You can also turn the engine on or off by pressing the Start/Stop button⁷ without inserting the remote key.

⁷ Foot must be on brake or, with manual transmission, must depress the clutch in order to start.

Premium Package

Add immeasurably to the enjoyment of your 3 Series Sports Wagon with the Premium Package. Eight-way power-adjustable front seats, upholstered in supple leather, offer the customized comfort of four-way lumbar support. At night you'll appreciate the enhanced visibility afforded by automatic-dimming rear-view mirror with digital compass and power-adjustable folding exterior side-view mirrors. BMW Assist™ offers roadgoing peace of mind, while **Bluetooth®** wireless technology lets you enjoy hands-free calling without taking your eyes from the road. And the integrated three-button Universal garage-door opener takes the place of up to three separate remote-control devices, helping to eliminate clutter.

Luxurious Dakota Leather upholstery cradles driver and passengers in softly gathered comfort. Durable and easy to maintain, a leather interior adds elegance and refinement.

Power-adjustable folding exterior side-view mirrors automatically dim when reflecting bright lights, helping to eliminate glare when driving at night.

BMW Universal garage-door opener takes the place of up to three remote-control devices. It can activate remote functions outside the vehicle, such as garage-door openers or home-lighting systems.

BMW Assist™ and Bluetooth® system offers hands-free calling through your BMW-approved **Bluetooth** phone. BMW Assist Safety Plan includes Automatic Collision Notification, Enhanced Roadside Assistance, Remote Door Unlock, TeleService and more. Also available is an optional Convenience Plan with Directions, Weather information, Critical Calling and Concierge service.

Cold Weather Package

Enjoy winter to the fullest with the Cold Weather Package. There's nothing like the feeling of quick-warming heated front seats on a cold morning. And for those en route to the slopes, a ski bag neatly holds skis and ski poles. Headlamp washers (not shown) are included in the 328i Cold Weather Package; standard on the 328xi.

Heated seats with expanded heating area – and, with optional iDrive, backrest/seat balance control – are a welcome feature for driver and front passenger in cooler weather. With the touch of a button, seat surface and backrest quickly radiate comfortable warmth in your choice of three settings.

Ski bag allows clean and secure transport of up to four pairs of skis and ski poles. When the ski bag is not extended, the center armrest can be left down for use or folded up to create a third seat.

Sport Package

The Sport Package injects even greater excitement into every minute spent in the 3 Series Sport Wagon. Larger wheels and run-flat tires grip corners with a vengeance. Sport seats with adjustable back bolsters cradle you comfortably over long distances, while holding you firmly in place during sporty driving maneuvers. The Sport Package also includes a three-spoke, leather-wrapped multi-function sport steering wheel. When optional STEPTRONIC automatic transmission is ordered, optional paddle shifters are also included, for more hands-on involvement.

17 x 8.0 Star Spoke (Style 159) light alloy wheels with 225/45 run-flat² all-season tires. (328xi)

Double Spoke (Style 161) light alloy wheels and run-flat² performance³ tires. In front: 17 x 8.0 wheels and 225/45 tires; in back: 17 x 8.5 wheels and 255/40 tires.⁴ (included in 328i Sport Package; optional on 328xi with Sport Package)

Eight-way adjustable front sport seats make the driving experience more enjoyable. Side bolsters can be power-adjusted to fit your back comfortably while helping to hold you firmly in place during tight cornering. Includes two-way headrests and thigh support for added support.

Shown with the following options: automatic transmission, Black Dakota Leather upholstery, Navigation system with iDrive, and Brushed Aluminum trim (no-cost option).

Three-spoke leather-wrapped multi-function sport steering wheel lets you keep both hands on the wheel while adjusting various comfort functions, such as changing the radio, CD selections and volume. Voice Command (included with optional Navigation system) can be used to change radio stations and audio selection, Navigation system destinations, and telephone entries with BMW-compatible **Bluetooth** enabled phones. (Shown with optional STEPTRONIC automatic transmission, which automatically comes with optional paddle shifters.)

²Run-flat tires do not come equipped with a spare tire.

³Performance tires not recommended for driving in ice and snow.

⁴Due to low-profile tires, wheels, tires and suspension parts are more susceptible to road hazard and consequential damages.

The Ultimate
Driving Machine®

BMW and the environment.

BMW is a strong proponent of the environment and social responsibility. It is important to manage the earth's resources responsibly, and not jeopardize the needs of future generations. That is why BMW makes vehicles that minimize adverse environmental impact, from production (pollution prevention and waste minimization at the plant) through owner use (low emissions) to eventual disposal (easy drainability of all fluid-related components and easy neutralization of all pyrotechnic devices).

This effort has been recognized worldwide and, as a result, we are pleased to have received numerous environmental honors. In the U.S., for example, the Environmental Protection Agency accepted BMW's Spartanburg, SC production and manufacturing facility as a charter member of the agency's National Environmental Performance Track. Internationally, BMW AG – the parent company of both BMW of North America and BMW Manufacturing Co., Spartanburg, SC – was the first automotive company to be represented on the Dow Jones Sustainability Group Index, and has remained on the Index ever since. At BMW, we strive for high performance in everything we do.
