

HP EliteBook 1040 G4 Notebook PC

A new level of power

With great power, comes great productivity. Our most powerful ultraslim 14-inch diagonal business notebook accelerates your day-to-day, and makes even your hardest tasks a breeze—with powerful multitasking, on-the-go collaboration, and industry-leading security.

HP recommends Windows 10 Pro for business

Supercharged performance

- Powered to push your pace, the HP EliteBook 1040 is ready for your biggest challenges in and out of the office. With up to 18-hours of battery life² and an optional quad-core Intel® Core™ processor (H-series)³ under the hood, there's almost nothing you can't handle.

Thin. Light. Your conference powerhouse.

- Say hello to the ultrathin device packed with features and ready for your mobile world. Designed for conferencing with powerful audio, intuitive call management, and a 180° hinge to share your ultra-bright 700-nit display⁴ in a huddle room.

Our most secure and manageable PCs

- Protection is simple and manageable thanks to a cutting-edge suite of security features that lets you browse confidently, keeps visual hackers in the dark, and monitors and restores in memory BIOS automatically.
- Power through your day with Windows 10 Pro¹ and the powerful, sleek, thin, and light HP EliteBook 1040.
- Combine power and speed with 7th Gen quad-core Intel® Core™ processor (H-Series)³, optional PCIe Gen3 SSD⁵, DDR4 memory⁵.
- Help protect your PC from infected websites, malware, ransomware, and viruses with HP Sure Click⁶—hardware-enforced security for web browsers.
- Instantly protect against visual hacking with the optional HP Sure View⁷ integrated privacy screen. At the touch of a button your screen appears unreadable to those around you while you see your content clearly.
- Start with a genuine HP BIOS every time. HP Sure Start Gen3⁸ monitors in-memory BIOS, recovers the platform without user or admin intervention, restores the BIOS to a custom state, and is enterprise ready for centralized management.
- Work and play with long battery life, and recharge up to 50% battery life in just 30 minutes⁹ with an HP fast charging battery.
- Stay productive with essential ports for optional docking⁶, and connect to networks with WiFi and optional 3G/4G LTE¹¹.
- Pick the right display for the way you work with FHD or UHD touch display⁵.

Product number: UA6Z7E (for 1 year platforms), UB0E4E (for 3 year platforms)

HP EliteBook 1040 G4 Notebook PC

Messaging Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- ² Windows 10 MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.
- ³ Intel® Quad Core™ H processors are optional. Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- ⁴ 700-nit display is optional, requires HP Sure View and must be configured at purchase. Touch enabled display will reduce actual brightness.
- ⁵ Sold separately or as an optional feature.
- ⁶ HP Sure Click supports Microsoft Internet Explorer and Chromium.
- ⁷ HP Sure View integrated privacy screen is an optional feature that must be configured at purchase.
- ⁸ HP Sure Start Gen 3, available on HP EliteBook products equipped with Intel® 7th generation processors.
- ⁹ Recharges your battery up to 50% within 30 minutes when the system is off or in standby mode. Power adapter with a minimum capacity of 90 watts is required. After charging has reached 50% capacity, charging will return to normal. Charging time may vary +/-10% due to System tolerance.
- ¹¹ 3G/4G LTE WWAN is an optional feature that must be configured by the factory. It is not available on all products, in all regions and requires separately purchased service contract. Check with service provider for coverage and availability. Connection speeds will vary due to location, environment, network conditions, and other factors.

Technical Specifications Footnotes

- ¹ Not all features are available in all editions or versions of Windows of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com/>.
- ² Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- ³ Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.
- ⁴ NOTE: In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on <http://www.support.hp.com>.
- ⁵ Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.
- ⁶ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software.
- ⁷ Sold separately or as an optional feature.
- ⁸ Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.
- ⁹ Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For more information: <http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast>.
- ¹⁰ WWAN module is optional, must be configured at the factory and requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions.
- ¹¹ HD content required to view HD images.
- ¹² Resolutions are dependent upon monitor capability, and resolution and color depth settings.
- ¹³ Supports HP Fast Charging with 90W only
- ¹⁴ Battery is internal and not replaceable by customer. Serviceable by warranty.
- ¹⁵ Availability may vary by country.
- ¹⁶ HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.
- ¹⁷ EPEAT® registered where applicable. EPEAT registration varies by country. See <http://www.epeat.net> for registration status by country. Search keyword generator on HP's 3rd party option store for solar generator accessories at www.hp.com/go/options.
- ¹⁸ Windows Hello requires Windows 10 Operating System installed.
- ¹⁹ HP ePrint Drive requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/eprintcenter). Print times and connection speeds may vary.
- ²⁰ HP Support Assistant requires Windows and Internet access.
- ²¹ HP Driver Packs not preinstalled, however available for download at <http://www.hp.com/go/clientmanagement>.
- ²² HP Management Integration Kit can be downloaded from <http://www8.hp.com/us/en/ads/clientmanagement/overview.html>.
- ²³ LANDESK Management subscription required.
- ²⁴ HP BIOSphere Gen3 requires Intel® 7th or 8th Generation processors.
- ²⁵ Absolute agent is shipped turned off, and will be activated when customers activate a purchased subscription. Subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. The Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: <http://www.absolute.com/company/legal/agreements/computrace-agreement>. Data Delete is an optional service provided by Absolute Software. If utilized, the Recovery Guarantee is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either obtain a PIN or purchase one or more RSA SecurID tokens from Absolute Software.
- ²⁶ HP Client Security Suite Gen3 requires Windows and Intel® or AMD 7th or 8th Generation processors.
- ²⁸ Windows 10 MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.
- ²⁹ Lock must be purchased separately.
- ³⁰ HP Sure View integrated privacy screen is an optional feature that must be configured at purchase.
