Re: Request for withholding from public disclosure proprietary information
submitted pursuant to an Application for Equipment Authorization
FCC ID: B5DH218

Gentlemen:

Your letter dated September 17, 2002, requests that the following information submitted with the application for Equipment Authorization be withheld from public disclosure:

Schematics
Block Diagram
Operational Description
Parts List
Tune-up Procedure

This request is made under the provisions of Section 0.457(d) of the Commission's Rules, and Section 552(b)(4) of the Freedom of Information Act. These sections authorize withholding from public inspection materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

We accept your statement that the material for which confidentiality is requested falls within the scope of Section 552(b)(4) as trade secrets. Under the provisions of Section 0.457(d), the specified material will not be routinely available for public inspection. If you have any questions concerning this matter, please contact Steve Dayhoff at the address above.

Sincerely,

Art Wall
Acting Chief, Laboratory Division
