SAMSUNG

29 cu. ft. Smart BESPOKE 4-Door Flex™ Refrigerator with Customizable Panel Colors

Signature Features

Customizable Door Colors

Customize the design of your refrigerator with changeable color door panels. Choose from 8 colors and 2 finishes to create a space that fits your style – the options are endless.

Beverage Center

Easy access to refreshingly cool, filtered water, two ways. The Beverage Center has both an internal water dispenser and a built-in pitcher that automatically refills with water and the option to infuse with a flavor of your choice.

Dual Ice Maker with Ice Bites

The Dual Ice Maker produces two types of ice per day: Cubed Ice and Ice Bites, smaller nugget ice that chills your drink faster. Makes up to 6 lbs per day, stores up to 9 lbs total.

SAMSUNG

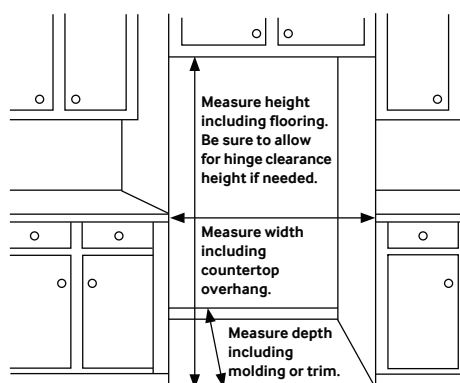

29 cu. ft. Smart BESPOKE 4-Door Flex™ Refrigerator with Customizable Panel Colors

Installation Specifications

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2.5" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

For optimal usage and ability to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product or download manual online at samsung.com.

Dimensions

Total Capacity: 29 cu. ft.

Refrigerator: 17.4 cu. ft.
