SPECIFICATIONS

Bring home the latest in energy saving LED Technology with a traditional aesthetic with the 15" LAN15BZFLAME outdoor lantern from Feit Electric. The lantern has a finish of oil rubbed bronze and 2 lighting modes to blend the romantic, vintage look with modern functionality without skimping on the quality of glow. The Standard lighting effect can output 300 lumens of 2700K solid soft white across the frosted seeded glass panes as well as the ability to switch to a flame effect which simulates a real burning candle with an 1800k realistic glow to inject some comfort into any atmosphere. Enjoy the convenience of the built in Dusk to Dawn feature which can automatically turn your light on at night and keep it off during the day allowing this fixture to seamlessly become a part of any space.
