2. Safety Warning

2.1: The power plug should be placed in a convenient location

2.2: If the product is not used for a long time, please pull out the power plug from the AC power socket;

2.3: Do not scratch, bend, twist, stretch or heat the power cord, which will cause damage to the power cord, resulting in fire or electric shock. If the power cord is damaged, please contact Lingke Audio for replacement;

2.4: Do not disassemble or modify the structure of this product without authorization, otherwise it may cause fire or electric shock. If you need to repair, please contact the Lingke Audio;

2.5: This product shall not be subject to water droplets or splashes, and items filled with liquid such as vases shall not be placed on the product;

2.6: Do not place exposed flame sources, such as lighted candles, on the product;

2.7: The disconnecting device of this product is an appliance coupler. The appliance coupler should be easy to operate and should not be blocked by other objects nearby;

2.8: Please choose the CCC certified wire assembly to be used together;

2.9: Items cannot be placed within 30mm around the product to avoid damage to the product during operation.

2.10: FCC Warning Statement

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- - Reorient or relocate the receiving antenna.
- - Increase the separation between the equipment and receiver.
- - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- - Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

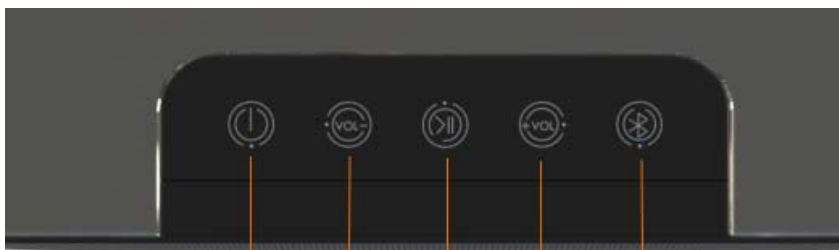

RF Exposure Statement

To maintain compliance with FCC's RF Exposure guidelines, this equipment should be installed and operated with minimum distance of 20cm the radiator your body. This device and its antenna(s) must not be co-located or operation in conjunction with any other antenna or transmitter

3.14: QR code for IOS APP downloading

4. Parameters

- 4.1: Frequency Response: 35Hz-20KHz(-6dB)
- 4.2: S/N: 15W+15W=100dB(+A)+100dB(+A) (Midrange & Treble 中高频) 70W=110dB(+A) (Bass)
- 4.3: Voltage: 90-240V 50/60Hz, power handling 100W
- 4.4: Impedance: 4ohm
- 4.5: Stand-by Power Consumption: 0.5W
- 4.6: Bluetooth Available Distance: ≤15m

5. Package Information

- 5.1: Gift Box Size: 399mm(W)x229mm(D)x295mm(H)
- 5.2: Outer Carton Size: 412(W)mmx242mm(D)x313mm(H)
- 5.3: Product Net Weight: 5.7KG (To be confirmed)
- 5.4: Product Gross Weight: 7.4KG (To be confirmed)

6. Packing List:

- 6.1: 1pc Life A5 speaker
- 6.2: 1pc power cord
- 6.2: 1pc 3.5 audio cable (用户选用)
- 6.3: 1pc RCA audio cable 音频线 (用户选用)
- 6.4: 1 user' s manual
- 6.5: 1pc warranty card
