iPad 2010 (1st gen) A1219/ A1337
iPad 2011 (2nd gen) A1395/ A1396 / A1397
iPad 2012 (3rd gen & 4th gen) A1416/ A1430/ A1403/ A1458/ A1459/ A1460
iPad 2017 (5th gen) A1822/ A1823
[Note] Not work for earlier versions of iPad, iPhone, Android, and Microsoft devices. Please confirm the above models before purchase. Other models are invalid.

How to Check the Model

- (1) Setting > General > About Model > Number
- (2) Please confirm on the back of iPad device.

How to Replace the Pen Tips

- (1) Rotate to the left to remove the tip gently.
- (2) Rotate to the right to install the new tip gently, and please confirm the tip is tight enough.

Attention

- (1) If your iPad has ever used the 【Apple Pencil】 over a Bluetooth connection, which prevents any other stylus from being used with the touchscreen, please forget the Apple Pencil on Bluetooth and turn off the Bluetooth.
- (2) If you cannot use handwriting when using the Apple Pen, please set up on the iPad according to the situation:
a. Go to Settings > Apple Pencil > Turn off "Only Draw with Apple Pencil"
b. Settings > Notes > Turn off "Only Draw with Apple Pencil"
- (3) Please keep your iPad screen dry and clean, water damage or dirt may cause disconnection or delay.
- (4) If your stylus pen become lag, jumper wires, and scratches. Please check whether the nib is not tightened enough, or reinstall the new nib several times.
- (5) We don't recommend you use the pen while your iPad is charging, which may cause break & disconnect issues.
- (6) All iPad IOS systems must be updated to iOS 12.2 or above.
- (7) It has better using experience if used with the tempered glass screen protector. Please do not use thick screen protector because it may affect the sensitivity of stylus.

Care and Maintenance

- 1. Please charge stylus pen by DC5V charger. Do not use fast charger for charging, the instantaneous high voltage of the charger may damage the stylus.
- 2. Please don't let infants play with it. Children should use it under the supervision of adults to avoid swallowing small parts (like nib) of the stylus by mistake.
- 3. To ensure the stylus pen work well, please avoid dropping it from high places and keep it away from hot and humid environments.
- 4. Since the stylus pen has a built-in lithium-ion polymer battery, if you want to dispose of a damaged stylus pen, please follow local laws and ensure environmental protection.

How to Charge

(FIG 1)

Before first use, please fully charge to ensure the battery life. You can charge it by the attached type-C cable to connect the computer, power bank, or USB chargers.
