KeepRite® Gas Furnaces. Comfort together with fuel-saving features.

Quality you can rely on.

These KeepRite® gas furnaces come with the latest engineering and design features to give you high quality—without the premium price tag. You can tell from the quiet operation that each unit is solidly built. At the heart of the furnace, the heat exchangers are constructed weld-free to prevent cracking problems and shaped to generate maximum heat. The burner compartment is even thermally insulated to retain heat as well as minimize sound. The updated technology helps improve efficiency and savings on fuel bills.

PS92 Gas Furnace

- 92% AFUE†
- Advanced RPJ® III primary and stainless steel secondary heat exchangers capture additional heat generated by your furnace
- Induced draft combustion blower for efficient performance
- Multispeed PSC circulation blower for durability and reliability
- Direct vent for quieter operation
- 20 year limited warranty* on primary and secondary heat exchanger
- 10 year^s parts limited warranty*

PS90-DV Gas Furnace

- 90% AFUE†
- Advanced RPJ® III primary and stainless steel secondary heat exchangers capture additional heat generated by your furnace
- Induced draft combustion blower for efficient performance
- Multispeed PSC circulation blower for durability and reliability
- Direct vent for quieter operation
- 20 year limited warranty* on primary and secondary heat exchangers
- 10 year^s parts limited warranty*

Keep warm, keep cool with KeepRite systems.

- a. Humidifier enhances comfort by reducing dryness in the air.
- b. Air Cleaner filters out many indoor air pollutants so the air in your home is cleaner.
- c. Set-Back Thermostat allows you to customize heating and cooling levels and also save energy.
- d. Furnace is designed for maximum comfort and high efficiency and built rugged for years of operation.
- e. Air Conditioner keeps your home cool and comfortable while saving on energy.
- f. Evaporator/Indoor Coil matches your KeepRite air conditioner and furnace to ensure great performance.
- g. UV Lights help prevent the growth of microbes on the coils.

The best choice for your home.

- Energy ratings up to 92% AFUE[‡] provide a significant boost in efficiency over older furnaces
- Primary heat exchanger features durable, weld-free construction
- Direct Hot Surface Ignition System features an advanced silicon nitride igniter for greater reliability
- Sturdy doors and insulated heat exchanger compartments reduce operating sound
- Installation flexibility: Compact multiposition cabinet
- California low NOx models available for most applications

[‡]AFUE stands for Annual Fuel Utilization Efficiency.

The weld-free construction of the heat exchanger helps overcome problems such as cracking and leaking. The clamshell form provides better air movement, and the baffled design optimizes heat transfer.

PS90 Gas Furnace

- 90% AFUE[‡]
- Advanced RPJ[®] III primary and stainless steel secondary heat exchangers capture additional heat generated by your furnace
- Induced draft combustion blower for efficient performance
- Multispeed PSC circulation blower for durability and reliability
- 20 year limited warranty* on primary and secondary heat exchangers
- 10 year^s parts limited warranty*

PS80 Gas Furnace

- 80% AFUE[‡]
- Advanced RPJ[®] III heat exchanger optimizes heat transfer
- Induced draft combustion blower for efficient performance
- Multispeed PSC circulation blower for durability and reliability
- 35" height adds installation flexibility
- 20 year heat exchanger limited warranty*
- 10 year^s parts limited warranty*

Action required.
Please see warranty certificate for details.

PS80

Warranties for long-term protection.

Every KeepRite unit is backed by exceptional warranties.

You get up to a 10 year^s parts limited warranty* and a 20 year limited warranty* on the heat exchanger. And don't forget to ask your dealer about HELP[®] extended service agreements for additional worry-free protection for parts and labor coverage.

*See published warranty for complete details. To learn more about these limited warranties, go to KeepRite.com.

[†]Subject to conditions. Ten year warranty requires timely registration. See detailed additional information on back page and Warranty Certificate at KeepRite.com for complete details.

*Many models earn the ENERGY STAR®. Ask your contractor for details or visit www.energystar.gov.

*AFUE stands for Annual Fuel Utilization Efficiency. Higher number = Greater efficiency.

^This KeepRite product carries a ten (10) year limited warranty on parts, including compressor and coils, to original homeowner if installed in an owner-occupied, single-family residence and properly registered within ninety (90) days after original installation. Otherwise, the parts warranty period is five (5) years from the date of installation. Heat exchangers may carry longer limited warranty coverage that applies to original homeowners with timely registration. (See Warranty Certificate for registration instructions. Registration not required in all jurisdictions.)
