Re: Application dated July 1, 1998 and received July 9, 1998
Equipment Class:
JBP-Part 15 Class B Computing Device Peripheral
FCC ID: A3KM062

Gentlemen:

The referenced application has been received for processing by the Equipment Authorization Branch, and has been assigned the following confirmation number:

Form 731 Confirmation Number: EA90320

Please forward this number to all eligible partys who will be checking the application status.

To ensure confidentiality, the confirmation number, along with the FCC ID, must be supplied when checking for the status of a pending application.

The Equipment Authorization Branch has begun accepting electronically filed Form 731 applications. An electronically filed application will be processed more quickly than a paper filed application since the processing fees, the administrative review, and the technical review can be processed in parallel.

You are, therefore encouraged to use the Internet to file future Form 731 applications.

Information regarding your application, and/or electronically filing your application, can be accomplished by accessing www.fcc.gov, E-Filing, OET Equipment Authorization Division Electronic Filing. Click on the appropriate selection from the frame bar on the left side of the page.

Sincerely,

Jaunice Green
Legal Instruments Examiner
Equipment Authorization Branch
