GE HARRIS RAILWAY ELECTRONICS, L.L.C.
407 NORTH JOHN RODES BLVD.
MELBOURNE, FL 32934

Attention: DON DARBY

Re: Application dated April 19, 1999 and received
April 19, 1999

Equipment Class: DSS-Part 15 Spread Spectrum Transmitter
FCC ID: NOLNOLLCM1003067

Gentlemen:

The application for the above equipment is hereby DISMISSED pursuant to
Section 2.917(a) of the Commission's Rules.

This action is being taken because the FCC has not received any of the
exhibits required for an equipment authorization application, nor has the
required fee been received.

If you elect to refile for equipment authorization you must submit a
currently dated and originally signed Form 731, accompanied by the
appropriate filing fee pursuant to Section 1.1103, and all data required by
the Rule sections applicable to the equipment. Please be advised that
resubmitted applications are not given priority in processing.

You are cautioned that importation and marketing of equipment in the United
States bearing the referenced FCC Identifier is prohibited by Section 2.803
of the Rules. Violation of this regulation may subject you to penalties
provided in Sections 501 and 502 of the Communications Act of 1934, as
amended.

Sincerely,

Greg Czumak
Electronics Engineer
Equipment Authorization Branch
