Helpful Travel Tips

- Make sure to stay hydrated during your trip! Dehydration can worsen jet-lag symptoms.
- Be sure to leave your itinerary with friends or relatives.
- Write down the names of your prescription medication in case you lose or misplace it while you're away.
- Pack a travel first aid kit -- check with our Pharmacists for recommendations on what to bring.
- Visit travel.gc.ca/travelling/advisories to check for advisories issued by the Government of Canada.
