Subject: FCC ID: OMLGDL-002, Applicant: GE Harris Aviation Information Solutions, LLC

Dear Sirs:

GE Harris Aviation hereby requests that specific information contained within our Technical Report submitted in conjunction with our Form 731 Application be treated as confidential (Fee Code EBC) and not released to the general public:

**REQUEST FOR CONFIDENTIALITY
APPLICATION FOR EQUIPMENT AUTHORIZATION
FCC ID# (OMLGDL-002)**

Certain materials provided in support of GE Harris Aviations' Application for Equipment Authorization contains proprietary data belonging to GE Harris Aviation and/or third party suppliers, in which case the data has been released to GE Harris Aviation in accordance with a mutually executed Confidentiality Agreement. Permission has been obtained by GE Harris Aviation from the owner of the data to further release this information to the FCC in support of the above application. The following items are those considered to have been originated by or peculiarly within the knowledge of GE Harris Aviation and/or its third party suppliers and not generally available to others, the disclosure of which could result in substantial harm to GE Harris Aviations' competitive position:

- Block Diagrams
- Schematics

Accordingly, the above items or portions thereof, particularly those associated with the LNA/PA Assembly and Part 15.247 Transmitter Module have been stamped "Proprietary Data" and are requested to be treated as confidential (Fee Code EBC) and not releasable to the general public.

Should you have questions, or require additional information please contact the undersigned at (407) 674-0068 or Mr. Bill Struth at (407) 674-0069.

Sincerely,

M. A. Vine
Director, Technology
