(A) Cables and Connectivity
Choose from hundreds of network and A/V cables with the connector types and lengths to support all your classroom equipment.

(B) UPS Systems
Desktop UPS systems provide battery backup to equipment during power outages to add runtime and protect data.

(C) Desktop Charging Stations
Keep up to 10 tablets, iPads and e-readers secured and charged in a desktop charging station.

(D) Surge Protectors
Provide convenient outlets and surge/noise protection for any powered device.

(E) Charging Carts
Charge, secure and organize up to 36 Chromebooks and laptops in a conveniently mobile cart.

(F) Presentation Remotes
Keyspan® remotes control presentation content up to 30 m away.

(G) Wall-Mount Rack Cabinets
Secure and organise IT hardware, rack-mount A/V equipment and other devices while preserving classroom space.
