

# HP Pro Mini 400 G9 Desktop PC

Essential productivity in a small package

Stay competitive in a constantly evolving business environment and make the most of your technology investment. Commercial-grade features for productivity, expandability, and security, come neatly packaged in this ultra-small chassis.

\*Product image may differ from actual product

HP recommends Windows 11 Pro for business

## Robust desktop performance

- Accomplish everything from minor tasks to complex projects with the latest Intel® processor<sup>2</sup>, high-speed memory, and essential ports. Value-priced for smooth, straightforward performance and diversified upgradeability.

## Flex ports for easy expansion

- Configure your Mini your way with flex ports for legacy support or clean desk connectivity or expand with optional dual storage and expansion modules.<sup>3</sup>

## Protected by HP Wolf Security

- HP Wolf Security for Business creates a hardware-enforced, always-on, resilient defense. From the BIOS to the browser, above, in, and below the OS, these constantly evolving solutions help protect your PC from modern threats.<sup>4</sup>
- Configure your desktop's CPU for the perfect combination of performance, power consumption, and value. The latest Intel® processor handles multiple work tasks smoothly and reliably with multiple processing cores to divide up the work.<sup>2</sup>
- Boost your desktop's performance with integrated graphics. Enable fast execution for your computing and multimedia workloads.<sup>5</sup>
- Quickly access and transfer data to keep up with today's changing business requirements with advanced PCIe Gen 4 SSDs, USB Type-C®, and DDR4 memory.
- Get a fast and reliable connection in dense wireless environments with gigabit data rate Wi-Fi 6E.<sup>6,7</sup>
- Your PC keeps working even when you're not with Modern Standby. When you wake the PC it's ready to work, meaning your email, notifications, and updates have all been updating themselves while the PC is asleep and connected to a network.<sup>8</sup>
- Upgrade and maintain your PC with simple tool-less access to this Desktop Mini chassis.
- Choose two flex ports from the following: USB Type-C® 3.2 gen 2, HDMI, DisplayPort™, VGA, one or two serial, dual USB 2.0, or a second external antenna.<sup>9</sup>
- Get ready for an immersive experience with the ability to connect up to four monitors.<sup>10</sup>

## HP Pro Mini 400 G9 Desktop PC Specifications Table

<b>Management features</b>	HP Client Catalog (download); HP Driver Packs (download); HP Image Assistant (download); HP Client Management Script Library (download); HP Connect for Microsoft Endpoint Manager; HP Manageability Integration Kit (download); HP Patch Assistant (download) <sup>15,16,17</sup>
<b>Power</b>	90 W external power adapter, up to 89% efficiency
<b>Dimensions</b>	17.7 x 17.5 x 3.4 cm
<b>Weight</b>	1.42 kg; (Exact weight depends on configuration.)
<b>Ecolabels</b>	EPEAT® registered <sup>14</sup>
<b>Energy star certified (series fixed)</b>	ENERGY STAR® certified

## HP Pro Mini 400 G9 Desktop PC

### Accessories and services (not included)

#### HP Desktop Mini Dual VESA Sleeve v3 with PSH

Wrap your HP Desktop Mini PC in the HP Desktop Mini Dual VESA Sleeve v3 with PSH to securely mount it—with or without an Expansion Module<sup>1</sup>—behind your display, position the solution on a wall, and lock it down with the integrated security bracket and optional HP Ultra-Slim Cable Lock.

**Product number: 13L68AA**

<sup>1</sup> Each sold separately. Expansion Modules are compatible with the HP Desktop Mini Security/Dual VESA Sleeve (G1K22AA) and HP Desktop Mini Dual VESA Sleeve v3 with PSH (13L68AA). The HP DM VESA Power Supply Holder Kit and HP DM VESA Quick Deploy Adhesive are only compatible with HP Desktop Mini Dual VESA Sleeve v3 with PSH(13L68AA). See product QuickSpecs for exact configurations.

#### HP 225 Wired Mouse and Keyboard Combo

Think how much you use your mouse and keyboard. That's why we've taken the time to design products that are comfortable to use so you can work productively every day - and all day if necessary.

**Product number: 286J4AA**

#### HP Stereo USB Headset G2

Plug right in and get ready to speak and hear clearly all day. With noise-cancelling, comfortable design, and easy adjustment, your sound comfort will carry you from call to call without interference or frustration.

**Product number: 428K6AA**

<sup>1</sup> Google tested to meet Chromebook compatibility standards.

<sup>2</sup> This product works with devices capable of running the latest version of Chrome OS and has been certified to meet Google's compatibility standards. Google is not responsible for the operation of this product or its compliance with safety requirements. Chromebook and the Works With Chromebook badge are trademarks of Google LLC.

#### HP Keyed Cable Lock 10 mm

Help keep your notebook safe in the office and high-traffic areas by tethering it to a secure surface with the HP Master Keyed Cable Lock 10mm, designed specifically for ultra-thin profile notebooks.

**Product number: T1A62AA**

## HP Pro Mini 400 G9 Desktop PC

### Messaging Footnotes

- <sup>2</sup> Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and naming is not a measurement of higher performance.
- <sup>3</sup> Sold separately or as an optional feature.
- <sup>4</sup> HP Wolf Security for Business requires Windows 10, includes various HP security features and is available on HP Pro, Elite, Workstation, and RPO5 products. See product details for included security features and OS requirements.
- <sup>5</sup> Optional feature that must be configured at the time of purchase.
- <sup>6</sup> Wi-Fi 6E requires a 6GHz router, sold separately, to function in the 6GHz band. Availability of public wireless access points limited. Wi-Fi 6E is backwards compatible with prior 802.11 specs. Only available in countries where Wi-Fi 6E is supported.
- <sup>7</sup> Wi-Fi 6E supporting gigabit data rate is achievable with Wi-Fi 6E (802.11ax) when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 160MHz channels.
- <sup>8</sup> Requires Windows 10 or higher and internet access.
- <sup>9</sup> Options available for each FlexPort may be limited. Ports must be configured at the time of purchase.
- <sup>10</sup> Monitor and mounting hardware sold separately or as an optional feature.

### Technical Specifications Footnotes

- <sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- <sup>2</sup> This system is preinstalled with Windows 10 Pro software and also comes with a license for Windows 11 Pro software and provision for recovery software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
- <sup>3</sup> For full Intel® vPro® functionality, Windows 10 Pro 64 bit, vPro supported processor, vPro enabled chipset, vPro enabled wired LAN and/or WLAN card and TPM 2.0 are required. Some functionality requires additional 3rd party software in order to run. See <http://intel.com/vpro>
- <sup>4</sup> Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and naming is not a measurement of higher performance.
- <sup>5</sup> Intel® Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration. See [www.intel.com/technology/turboboost](http://www.intel.com/technology/turboboost) for more information.
- <sup>6</sup> For systems configured with more than 3 GB of memory and a 32-bit operating system, all memory may not be available due to system resource requirements. Addressing memory above 4 GB requires a 64-bit operating system. Memory modules support data transfer rates up to 3200 MT/s; actual data rate is determined by the system's configured processor. See processor specifications for supported memory data rate.
- <sup>7</sup> All memory slots are customer accessible/upgradable.
- <sup>8</sup> Actual data rate is determined by both the system's configured processor and memory module installed.
- <sup>9</sup> For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows) of disk is reserved for system recovery software.
- <sup>10</sup> This system is preinstalled with Windows 10 Pro software and also comes with a license for Windows 11 Pro software and provision for recovery software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
- <sup>11</sup> The 2.5" SATA drive bay can be both HDD and SSD.
- <sup>12</sup> Ports are optional. Max of one FlexPort 1 can be configured, with Serial port sold separately or as an optional feature. Max of one FlexPort 2 can be configured, and must be configured at time of purchase.
- <sup>13</sup> Availability may vary by country (Antimicrobial China only).
- <sup>14</sup> Based on US EPEAT® registration according to IEEE 1680.1-2018 EPEAT®. Status varies by country. Visit [www.epeat.net](http://www.epeat.net) for more information.
- <sup>15</sup> HP Connect for Microsoft Endpoint Manager is available from the Azure Marketplace for HP Pro, Elite, Z and Point-of-Sale PCs managed with Microsoft Endpoint Manager. Subscription to Microsoft Endpoint Manager required and sold separately. Network connection required.
- <sup>16</sup> HP Patch Assistant available on select HP PCs with the HP Manageability Kit that are managed through Microsoft System Center Configuration Manager. HP Manageability Integration Kit can be downloaded from <http://www8.hp.com/us/en/ads/clientsmanagement/overview.html>.
- <sup>17</sup> HP Manageability Integration Kit can be downloaded from <http://www.hp.com/go/clientsmanagement>.
- <sup>18</sup> myHP requires Windows OS.
- <sup>19</sup> HP QuickDrop requires internet access and Windows 10 PC preinstalled with HP QuickDrop app and either an Android device (phone or tablet) running Android 7 or higher with the Android HP QuickDrop app, and/or an iOS device (phone or tablet) running iOS 12 or higher with the iOS HP QuickDrop app.
- <sup>20</sup> HP Support Assistant: Requires Windows and Internet access.
- <sup>21</sup> HP Smart Support automatically collects the telemetry necessary upon initial boot of the product to deliver device-level configuration data and health insights and is available preinstalled on select products, thru HP Factory Configuration Services; or it can be downloaded. For more information about how to enable HP Smart Support or for download, please visit <http://www.hp.com/smart-support>.
- <sup>22</sup> HP SureClick requires Windows 10 Pro or higher or Enterprise. See [https://bit.ly/2P4t6A\\_SureClick](https://bit.ly/2P4t6A_SureClick) for complete details.
- <sup>23</sup> HP SureSense is available on select HP PCs with Windows 10 Pro, Windows 10 Enterprise, Windows 11 Pro, or Windows 11 Enterprise OS.
- <sup>24</sup> HP SureStart Gen 7 is available on select HP PCs and requires Windows 10 and higher.
- <sup>25</sup> HP SureAdmin requires Windows 10 or higher, HP BIOS, HP Manageability Integration Kit from <http://www.hp.com/go/clientsmanagement> and HP SureAdmin Local Access Authenticator smartphone app from the Android or Apple store.
- <sup>26</sup> HP BIOSphere Gen 6 features may vary depending on the platform and configuration.
- <sup>27</sup> For the methods outlined in the National Institute of Standards and Technology Special Publication 800-88 "Clear" sanitation method, HP SecureErase does not support platforms with Intel® Optane™.
- <sup>28</sup> Absolute firmware module is shipped turned off and can only be activated with the purchase of a license subscription and full activation of the software agent. License subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. Certain conditions apply. For full details visit: <https://www.absolute.com/about/legal/agreements/absolute/>.
- <sup>29</sup> Wireless access point and internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 6E is backwards compatible with prior 802.11 specs.
- <sup>30</sup> Wi-Fi 6E requires a Wi-Fi 6E router, sold separately, to function in the 6GHz band. Availability of public wireless access points limited. Wi-Fi 6E is backwards compatible with prior 802.11 specs. And available in countries where Wi-Fi 6E is supported.
- <sup>31</sup> Only 35 W processors are offered.
- <sup>32</sup> Platform power consumption varies per configuration, for the best user experience, please connect PC power cord while using USB-C® cable via SuperSpeed USB Type-C® port in the rear side of the platform.
- <sup>36</sup> HP Wolf Pro Security Edition (including HP SureClick Pro and HP SureSense Pro) is available preloaded on select SKUs and, depending on the HP product purchased, includes a paid 1-year or 3-year license. The HP Wolf Pro Security Edition software is licensed under the license terms of the HP Wolf Security Software - End-User License Agreement (EULA) that can be found at: [https://support.hp.com/us-en/document/sh\\_3875769-3873014-16](https://support.hp.com/us-en/document/sh_3875769-3873014-16) as that EULA is modified by the following: "7. Term. Unless otherwise terminated earlier pursuant to the terms contained in this EULA, the license for the HP Wolf Pro Security Edition (HP SureSense Pro and HP SureClick Pro) is effective upon activation and will continue for either a twelve (12) month or thirty-six (36) month license term ("Initial Term"). At the end of the Initial Term you may either (a) purchase a renewal license for the HP Wolf Pro Security Edition from HP.com, HP Sales or an HP Channel Partner, or (b) continuing using the standard versions of HP SureClick and HP SureSense at no additional cost with no future software updates or HP Support.
