Easy smart lighting

Bring smart light anywhere you want with this portable smart lamp in white. Rated for outdoor use and featuring a sage green silicone grip, it's easy to carry where you need light most, such as inside to read or outside for dinner.

Limitless possibilities

- Control it your way
- On-product control
- Dynamic, natural lighting effects

Easy smart lighting

- Create a personalized experience with colorful smart light
- Set the right mood with warm to cool white light
- Unlock full suite of smart light features with Hue Bridge
- A truly portable smart light

Highlights

Control it your way

Connect your Philips Hue lights with the bridge and start discovering the endless possibilities. Control your lights from your smartphone or tablet via the Philips Hue app, or add switches to your system to activate your lights. Set timers, notifications, alarms, and more for the full Philips Hue experience. Philips Hue even works with Amazon Alexa, Apple HomeKit and Google Home to allow you to control your lights with your voice.

On-product control

Change your light settings directly with the button on the light itself. Cycle through special light scenes, such as Sunday coffee and Enchanted forest, by pressing the button. Press twice and hold on the second press to cycle through colors.

Dynamic, natural lighting effects

Amp up the ambiance of special moments with living light. Use dynamic light effects, such as Cozy Candle, Sunday Coffee, Meditation, Enchanted Forest, and Night Adventure to create the perfect mood in any situation.

Create a personalized experience with colorful smart light

Instantly set the mood for any occasion with 16 million colors of light. Transform any room for an immersive entertainment experience, create the perfect atmosphere for a get-together with friends, or complement your home decor.

Set the right mood with warm to cool white light

These bulbs and light fixtures offer different shades of warm to cool white light. With complete dimmability from bright to low nightlights, you can tune your lights to the perfect shade and brightness of light for your daily needs.

Unlock full suite of smart light features with Hue Bridge

Add a Hue Bridge (sold separately) to your Bluetooth-controlled setup to make your smart lighting system even smarter. With the Hue Bridge, you can add up to 50 lights — including your existing Bluetooth-enabled lights — and smart accessories throughout your entire home, as well as unlock upgraded features such as away-from-home control.

A truly portable smart light

The Go portable table lamp can truly go wherever you want, thanks to its rechargeable battery. Bring this lamp with you wherever you need colorful light, such as inside to read or outdoors to light up your next outdoor barbecue. Get up to 48 hours of light on a single charge — and then bring it back inside

to charge on the included charging base.
