

Made for
iPod iPhone iPad

GPT-437x

GeBE-FLASH® | GeBE-FLASH® for iOS

Highlights at first sight:

- handy thermal printer in robust plastic housing for 58 mm paper width
- ideal for log and receipt printout
- battery-powered with Bluetooth® interface, car charger
- printing from the app for iPhone®, iPad®, iPod® and for Android™ Smartphones
- intelligent power management saves energy in battery operation
- pictures, graphics, text and bar codes in eye-pleasing resolution of 203 dpi
- customized versions for medium quantities, e.g. operation foil or housing colour

The GeBE-FLASH

The battery-powered thermal printer GeBE-FLASH / GeBE-FLASH for iOS (GPT-437x) is mounted in a robust and fiber-glass reinforced plastic housing. The printer is tailored for space sensitive and mobile applications. With the right paper, the printer can be used in a temperature range of -10°C to +60°C, also outdoor. Multiple interfaces are available. Configuration changes will be clearly performed via OnPaperDisplay menu (OPD-Menue[®]).

The GeBE-FLASH is compatible to HP Deskjet and HP 82240 B.

The Bluetooth[®] version is detectable as accessory by an Android[™] Smartphone and controls the printout.

The model GeBE-FLASH for iOS is Apple-licenced and applicable for operation with iPhone[®], iPad[®] oder iPod[®].

Typical application

Protocol printing, e.g. for measuring technologies in medicine, in the field or logistics / receipt printing, e.g. for accounting systems in gastronomy or POS

Accessories

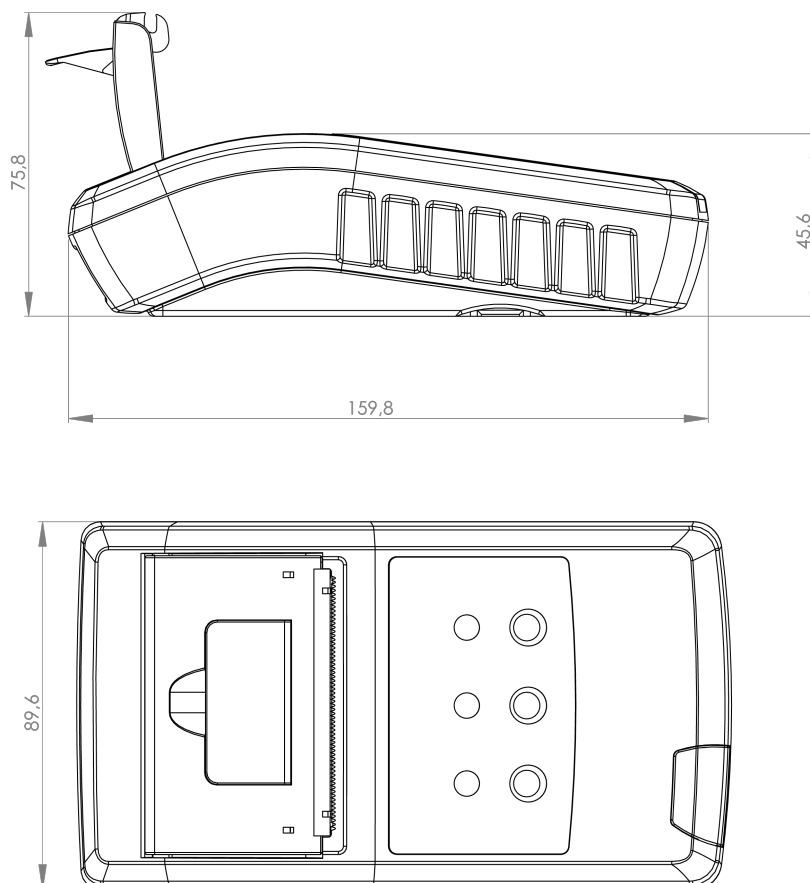

- standard thermal paper roll (art. no. 11347)
- belt bag (plastics art. no. 12039, textile with rain protection art. no. 13281)

Drivers

The printer controller GCT-4379, GCT-4375, GCT-4376(-HPIr) and GCT-4370 will be supported by following drivers: Windows[®] CE.Net 4.2, 5.0, 6.0 and Windows[®] XP, Vista, 7, 8, 8.1

Unix via Cups for Linux and Mac OS
