- Shielded 28 AWG wire
- Flexible PVC jacket with integral strain relief

Package Includes

- P569-003-MF-APM High-Speed HDMI Panel-Mount Cable (M/F), 3 ft.
- Mounting hardware

Description

The P569-003-MF-APM Panel Mount High-Speed HDMI Cable with Ethernet extends your HDMI interface in a digital signage, home theater, professional audio/video or data center application. The male end plugs directly into an HDMI source, while the female end mounts to a trade show booth, retail kiosk, teacher's or lecturer's podium or the front panel of a computer. This allows you to conveniently connect a Blu-ray™ player, digital camera or other HDMI device to use in presentations, lectures, trade shows or digital signage.

The three-foot cable features gold-plated connectors that resist corrosion and ensure optimal signal transfer. Shielded 28 AWG wire offers reliable error-free communication. PVC jacket with molded connectors and integral strain relief provides durability and long life. Mounting hardware included.

Features

Adds a Panel-Mounted HDMI Port

- Extends HDMI interface in a digital signage, home theater, professional audio/video or data center application
- Female end mounts to a trade show booth, retail kiosk, teacher's or lecturer's podium or the front panel of a computer
