Subject: Fee Payment- Reply

Message:

Bette Taube sent an eMail message seeking help verifying payment for EA94792 was sent. I replied to her address that the check was sent via USPS overnight mail on August 3 and was deposited August 6. We are currently pursueing a copy of the canceled check. Would your office like a faxed copy sent? If so you what number?
Has the application continued to be processed? The Form 731 data was received July 12.
