1) Please justify your request for confidentiality treatment of the internal photos. Confidentiality for internal photographs is not normally granted because the unit is available for examination after it is sold.

A justification for a Long-Term Confidentiality request must be submitted in the application. The justification should (a) reference Sections 0.457 and 0.459 which identify the information to be held confidential, and (b) list the specific attachments to be held confidential. The justification should be uploaded into the Cover Letter(s) Exhibit type.

2) You have requested short-term confidentiality for external photos. However, there is no letter exhibit requesting short-term confidentiality. Please submit a signed letter requesting short-term confidentiality for external photos. Letter should include a list of exhibits to be marked confidential. Letter should include a brief explanation as to why confidentiality is requested.
