- Control lights with your voice\*
- Create a personalized experience with colorful smart light
- Set the right mood with warm to cool white light
- Get the perfect light recipes for your daily activities
- Unlock full suite of smart light features with Hue Bridge

# Highlights

## Sync your media to lights

With the Hue sync box and the Hue Bridge, you can bring your entertainment to new heights. Surround yourself with Philips Hue lights and turn on your movie, music, or game • and then watch your lights mirror the colors and rhythm.

## On-product control

Change your light settings directly with the button on the back of the Hue Go. Simple press sequences allow you to cycle through different light settings or use the preset dynamic lighting effects, including the specially designed light recipes Read, Relax, Concentrate, and Energize.

## A truly portable smart light

The Hue Go portable smart light can truly go wherever you want, thanks to its built-in, rechargeable battery. Bring this lamp along with you as you travel, use it as the centerpiece of a romantic dinner, or take it outdoors to enhance the atmosphere of your summer parties. Enjoy from 2.5 hours of brilliant smart lighting up to 18 hours when using the Cozy Candle light effect.

## Dynamic, natural lighting effects

Amp up the ambiance of special moments with living light. Use dynamic light effects, such as Cozy Candle, Sunday Coffee, Meditation, Enchanted Forest, and Night Adventure to create the perfect mood in any situation.

## Smart lights to wake you up and help you sleep

Connect your Hue Go to the Hue Bridge and let your lights mimic the sunrise in the morning with the Wake up routine, which slowly brightens your lights at a preset time to help you start your day feeling calm and refreshed. In the evening, set a Go to sleep routine, which gradually dims warm white lights and helps you prepare for a good night's sleep.

## Control up to 10 lights with the Bluetooth app

Philips Hue with Bluetooth is the easiest way to get started with smart lighting. Set the mood instantly with Bluetooth-enabled light fixtures and the Hue Bluetooth app, which allows you to control up to 10 lights in a room.

**Control lights with your voice\***

Philips Hue works with Amazon Alexa and the Google Assistant when paired with a compatible Google Nest or Amazon Echo device. Simple voice commands allow you to control multiple lights in a room or just a single lamp.

**Create a personalized experience with colorful smart light**

Instantly set the mood for any occasion with 16 million colors of light. Transform any room for an immersive entertainment experience, create the perfect atmosphere for a get-together with friends, or complement your home decor.

**Set the right mood with warm to cool white light**

These bulbs and light fixtures offer different shades of warm to cool white light. With complete dimmability from bright to low nightlights, you can tune your lights to the perfect shade and brightness of light for your daily needs.

**Get the perfect light recipes for your daily activities**

Use the preset Philips Hue light recipes to fit your mood or activities throughout the day. Amp up the energy with the cool white light of the Energize light recipe in the morning or unwind with the subtle, soft light of Relax.

**Unlock full suite of smart light features with Hue Bridge**

Add a Hue Bridge (sold separately) to your Bluetooth-controlled setup to make your smart lighting system even smarter. With the Hue Bridge, you can add up to 50 lights — including your existing Bluetooth-enabled lights — and smart accessories throughout your entire home, as well as unlock upgraded features such as away-from-home control.
