Easy control. Distinctive looks.

- Easily connect to your favorite sources
- Connects to your favorite voice assistant-enabled devices

This soundbar is Roku TV Ready™ certified.

- Simple setup. One remote. Quick settings.

PHILIPS

Highlights

Smart soundbar. Epic sound

This soundbar brings 360W of pure power to everything you watch, and every track you love. 3.1.2 channels fill any room with spellbinding soundtracks, thunderous effects, and crystal-clear dialogue. The wireless subwoofer adds impact to every explosion and every beat.

Dolby Atmos

Increase the drama no matter what you watch. This soundbar's up-firing speakers give you the full Dolby Atmos experience. Your favorite movies and shows will sound breathtakingly realistic as sound flows above and around you.

Play-Fi. Multi-room and more

Easy Play-Fi compatibility will make this soundbar the star of your multi-room set-up. You can sync Play-Fi-compatible speakers for multi-room audio, or even create a true surround-sound system—all via the Philips Sound app, or the Play-Fi app.

All your favorite sources

For music, Spotify Connect lets you stream Spotify's best-quality signal over Wi-Fi. You can also stream hi-res playlists from your mobile device via Apple AirPlay 2 or Bluetooth. For movies and gaming, 4K pass-through lets you connect 4K HDR video sources with no loss of resolution.

HDMI eARC

Lose nothing from the mix when you're immersed in the drama. This soundbar is compatible with HDMI eARC, a high-speed connection that lets you experience the full effect of advanced audio formats like Dolby Atmos. The soundbar also has dual HDMI inputs.

Connect with voice assistants

Ask Alexa-enabled devices, or any speaker that works with the Google Assistant, to play music through the soundbar. Prefer Siri? This soundbar works with Apple AirPlay 2, so you can ask her too. Turn the music up. Skip tracks. All completely hands-free.

Roku TV Ready™

You'll enjoy simple setup, easy access to sound settings, and compatibility with any Roku TV™ remote.
