

Wi-Fi Smart Plug with Energy Monitoring

HS110

Highlights

- **Remote Access** – Control devices connected to the Smart Plug wherever you have Internet using the free Kasa app on your smartphone.
- **Scheduling** – Schedule the Smart Plug to automatically power electronics on and off as needed, like setting lights to come on at dusk or turn off at sunrise.
- **Energy Monitoring** – Analyze a device's real-time and historical power consumption.
- **Away Mode** – Turns your devices on and off at different times to give the appearance that someone is home.
- **Amazon Echo Voice Control** – Amazon Echo (sold separately) lets you control devices connected to the Smart Plugs just using your voice.

Description

Easily turn on/off your appliance from anywhere in the world by a free App. You can also set some customized rules to turn it on/off as you scheduled.

Features

Ease of Use

- **Anytime, Anywhere** - The Smart Plugs make it easy to manage your household electronic devices anywhere in the world with a tap of your smartphone.
- **Schedule and Timer** - Deter bad guys by setting your lights to turn on and off on a schedule so it seems like you're home when you are actually away. And the count down timer gives you a peace of mind, which automatically switches off the running household appliances as your settings.

Compatibility

- **Compatible with Amazon Echo** - You can pair the Smart Plugs with Amazon Echo for voice control.
- **Compatible with Android, iOS** - The free Kasa app lets you run them from any Android (4.1 and higher) or iOS (iOS 8 and higher) smartphone.

Energy Conservation

- **Real-time or historical** - You can efficiently conserve energy and save money while using the Smart Plugs to control your space heaters and fans. The Smart Plug tracks your device's power consumption in real-time, and has weekly and monthly summaries.

Specifications

Working Status

- **Input voltage:** 100 - 240VAC
- **Output voltage:** 230VAC
- **Maximum Load:** 16A
- **Maximum Power:** 3.68KW

Network

- **Protocol:** IEEE 802.11b/g/n
- **Wireless Type:** 2.4GHz, 1T1R
- **System Requirements:** Android 4.1 or higher, iOS 8 or higher

General

- **Package Contents:** Smart Plug HS110, Quick Start Guide
- **Certifications:** RoHS, EAC, CE
- **Material:** PC
- **Buttons:** Power button, Settings button
- **Operating Temperature:** 0 °C ~ 40 °C (32°F ~ 104°F)
- **Operating Humidity:** 5%~90%RH, Non-condensing
- **Weight:** 131.8g
- **Dimensions (H x W x D):** 3.9 x 2.6 x 3 in. (100.3 x 66.3 x 77 mm)
