Adding New Product (C2PC) for existing Certification

Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

We, Harman International Industries, Inc hereby confirm that the model AP72598V meets the Class 2 permissive changes. The main differences shown as following.

1. This is a C2PC application to evaluate the antenna(s) used for the module: AP72598V transmit simultaneously with Bluetooth module: QCC5181 in specific hosts (Model No.: MA710, MA7100HP, MA9100HP).
2. The Bluetooth function of module AP72598V will be disabled via software.
3. Electrically identical in RF signal characteristics in transmitting singly. So only re-test radiated emissions transmitting simultaneously.

Original Certification: FCC:APIAP72598V, Date of Grant:06/22/2022.

Sincerely yours,

A handwritten signature in black ink that reads "Terry Shi".
