

# SUPPLIER'S DECLARATION OF CONFORMITY

This is to request a Class II Permissive Change for FCC ID: A3LAX211D.

We would like to add a portable host device (Notebook PC, basic model: NP730QFG, variant model: NP734QFG) from AX211D2W. SAR testing with the new host device was performed and also for EMC part, radiated spurious emission measurement was investigated. All of test case was complied with related FCC rule. Therefore, this permissive change for FCC application in portable configuration is submitted.

<b>Module's FCC ID</b>	A3LAX211D
<b>Manufacturer</b>	Samsung Electronics Co., Ltd.
<b>Host name of product</b>	Notebook PC
<b>Host model</b>	NP730QFG
<b>Variant model</b>	NP734QFG
<b>Applied Rules</b>	FCC Part 15 Subpart C, Subpart E

We hereby declare that the device specified above was tested conforming to the applicable FCC Rules under the most accurate measurement standards possible, and that all the necessary steps have been taken and are in force to assure that production units of the same equipment will continue to comply with the Commission's requirements.
